Your last letter to me in reference to timber limits in Township of Robinson, Manitoulin, I gave to Mr. McCarthy M.P., who promised to attend to the matter for me. Mr. McCarthy now writes me that he has mislaid the letter, and forgot to attend to it.

I beg leave again to call your attention to the matter, and hope you will be good enough to see about it with as little delay as possible.

I want the timber on the Township of Robinson, and to have the cedar as well as the pine.

Let me know the amount to be paid and I will remit cheque forthwith, and much obliged.

Yours sincerely, det.
William Switzer.
