Hudson Heights, Que.

28th May, 1940.

Rt.Hon. Arthue Meighen,
The Senate,
Ottawa.

Dear Mr.Meighen:

May I express my very sincere
thanks for your kindness in sending me the
copies of two of your speeches, and in answering
my letter so promptly.

I am fully aware that your
responsibilities are many and time consuming,
and one more letter to answer only adds to
the burden.

I now see that a suggestion has
been made in both houses that Col.Ralston
might carry on as a real Leader of Canada. I
think many people would have confidence in
him where there is none whatever in a man who
has only shirked every duty he so loudly
clamoured to assume.

I am very glad to have a copy
of your Debate in the Senate - which really
inspired my letter to you.

With many thanks again,
I am,

Yours sincerely,

Edith B. Lewis
