10th Jan'y 8

269

Sir,

I have the honor to inform you that the sample of Flour received under cover of your letter of the 8th ultimo with Voucher No. 27791 in favor of the Gibson Milling Co. has been examined by experts who report that in their opinion it is not quite so strong as the Standard but that with age it will equal it and that in color it is fully equal if not superior

A Copy

The Indian Com^r
for Mass & N. W. T.
