

decided to think some form of  
unemployment insurance is due  
to come in the near future.

I hope you will excuse Tracy  
using the type-writer. It takes  
him a little longer which is a  
great advantage just now!  
It is hard to know what to do with  
him when he can't invent about  
very much!

I hope you are well and that  
you will have good health in  
this new year. (Nore just-bear  
out to see what Mary is at; find to

Ray dear Willie:

Young Tracy has been  
writing to you so I must put  
in a line too. It is his first  
"effort" since he came home!  
He had his clothes on for the  
first time, yesterday, and is  
picking up very quickly. He is  
going to sleep upstairs tonight  
we have had his bed down here  
since he came from the hospital  
so he couldn't walk and I  
didn't want Mary to have  
to carry him up & down. The
