FRESH TEAS!

Every family ought to buy their TEAS at the VICTORIA TEA WAREHOUSE, THE PEOPLE'S STORE, 93 KING STREET, Toronto, SIGN OF THE QUEEN.

As thousands of customers have, during the past nine years, proved it to be the best place to procure pure Teas at the lowest prices, and in all cases giving entire satisfaction to the consumer. E. L. & S., in returning thanks to their numerous customers for their liberal patronage during the past nine years, beg to say that they have now on hand a large stock of Fresh Teas, which, for price and quality, cannot be surpassed by any house in the Dominion.

We do not agree with some of our competitors in saying that all other dealers sell nothing but trash, and extort; but we claim that from the extent of our trade, and, also, from the fact that our Teas are bought at the Cargo Sales (direct shipment from China and Japan), by our E. L., who is acknowledged to be one of the best and most experienced Tea buyers in the trade, we can, therefore, always guarantee freshness, extra quality, and low prices combined. All we ask is a trial and comparison to insure future sales.

Our stock comprises a large assortment of the finest Black and Green Teas put up in tin canisters and caddy boxes from 4 to 15 lb. Suitable for Families, Hotels, &c.

Together with a complete assortment of Staple and Fancy Groceries, Biscuits, Confectionery, &c., &c., all at the lowest prices. Goods delivered in the city limits and on the cars free of charge. All orders by mail or otherwise attended to with despatch.
