is now starting.-J.MeK. NORWIGH, July 10.-Wheat Me, oats Joe, bran 821, shorts 834, coston seed meal 855, oil cash e 854, hong 845. Alfalfa hay finished June 19. Clover and timothy hay have been on since June 20 and haying is now about over. Wheat cutting is just starting, while the second erop of alfalfa her lots of rain.-J. H. P. OXFORD CO., ONT.

OXFORD CO., ONT.

INGERSOLL, July 8.-Hay will be about a two-third crop. We are suffering se-verely from drought and unless we get plenty of rain very soon fall pasture will ELGIN CO., ONT.

ATLAKE, July 8.-Hay is short crop, not nearly up to the average. Will av-erage about 1% tons to arce. Much new seeding of clover has been lost. Parture is poor now and the prospects are that there will be a great shortage of fall pat-ture. The heat and othe value of pea crop for canning factory.-D. H. P.

KENT CO., ONT.

KENT CO., ONT. WHEATLEY, July & -The hay crop is quite short-average, about one ton to acre. Other crops are a fair average. It is very dry at present, but crops are not suffering much yet. The fruit crop is very good. Berries are selling locally at 32.6 a crate; cherries, 81.50 to 82 a bunk. Early potatose are light. They sell at 50 c a peck-J-W.K.

ESSEX CO., ONT.

ESSEX CO., ONT. ESSEX, July 10.—The hay is not over 60 per cent. The pastare is had, and un-no good. Corn is in fine condition, and the pasture will be reinforced by using the corn. The clover in wheat fields is not gone yet, but will likely go if it co-tinues warm after harvest.—W. D. B.

WINDSOR.-High prices, up to 16 ots a pound last year, led to the biggest acre-age of tobacco this year so far sown in Essex. It is making good progress, though grubs compelled the replanting of some grubs compelled the replanting or some fields three weeks ago in the vicinity of Harrow and Ruthven. A similar boost has been given to sugar beets, there being in western Ontario about 11,000 acres of the munder contract for the Wallaceburg and Berlin sugar factories. At usual prices these should bring about \$650,000 to the farmers. The weather has been rather unfavorable and the outlook for the crot

is only fair. The short ends in Essex are the hay, which is only fair, and the ber-ries, which were plentiful while they lasted, but their season was cut short by the hot weather. Pastures for the hog and cattle so extensively raised are yet fair—T.Q.

TEMISKAMING DISTRICT, ONT.

TENISKAMING DISTRICT, ONT. NEW LISKEARD, July 10-There is every indication of a splendid hay crop, well axed. The Homestead Inspector, whose calling makes it necessary for him to do a great deal of travelling, reports that prospects of a good hay crop are better than at any time last year. The clover has not been winter killed, and the fall pasture is as promising as it has ever, but is as promising as it has ever, but any time last year. The elsever helds of clover. The weather is excellent for saving the crop-J. M. B.

MARKET REVIEW AND FORECAST

Toronto, Monday, July 17.—Trade in all branches continues quite, hartasada The branches continues quite, hartasada The stanches continues quite, hartasada that of last year. The labor stituation grows more serions for harresters is everywhere heard, three stock market has been very standy with a little rise in butchers' cotte, lambs and hors.

ambs and hogs. Call money rules here at 5½ to 6 per

cent. WHEAT

The wheat markets have been quiet all The wheat markets nave been quiet an week, owing to the rain and cool weather forecasts. Quotations were higher last week because of the reports that the grain was suffering from heat and drought, but rains throughout the Northdrought, but raiss throughout the North-worth have caused an easier sentiment all round. The probability is that wheat will be a humper crop. No. 1 Northern and unced at \$1.0%; No. 2 Northern, \$%; No. 3 Northern, \$%; Does the same at the to be the same at Parmers' Market fall wheat is quoted at \$20 to 85c, and goose wheat, 80c to 85c.

COARSE GRAINS

COARSE GRAINS Trade in coarse grains continues quite active. Corn has reached a new high level for the year of 65 per bus. On-tario outs are searce and higher at 38% to 35 ci nthe interior.
