

Do Not Insure

Until you have seen the Double Maturity Policy of the Manufacturers' Life. Ordinary prudence suggests that you should carry some life insurance, if ever so little, and it is as well to know where the best is to be had, both for security and profit. Life insurance creates an immediate capital at a trifling outlay, which returns, as a rich and ample investment, to a man's family or himself at its period of maturity. You should find out about this Double Maturity we speak of.

ULCERKURE

Tongue Creek, Alta., Aug. '93.
Messrs. A. E. Waldon & Co.:
Gentlemen, - I have had several opportunities of observing the wonderful curative properties of Warnock's Veterinary Ulcerkure. Last year a valuable mare that I was breaking to harness ran into a wire fence and had the muscles of the forearm of one leg cut through to the bone. The wound was so deep and the lips so wide apart that it was impossible to stitch it, so I applied Ulcerkure as directed and the wound rapidly healed. There was almost no scar left, the animal regained perfect use of her leg, and I sold her a short time afterwards for a good price. Another of my mares sustained an ugly tear in front of one of her hocks, almost laying the joint open. A few days rest and the application of Ulcerkure caused the wound to heal quickly, without leaving any stiffness of the joint. I have seen the medicine used in numerous other cases in this district, and always with the same satisfactory results. WM. C. M'DOUGALL, Rancher.

PRICE \$1. OR SIX FOR \$5. Each bottle contains two hundred applications. Sold by all dealers in medicine, or sent to any part of Canada on receipt of price. A single trial will prove the wonderful curative properties of Ulcerkure. Samples free. Send for Dr. Warnock's pamphlet on the treatment of wounds in domestic animals. Address,
A. E. WALDON & CO., Chemists, Calgary, Alta. 5-y-om
