VALLEYFIELD, April 24, 1900.

THE SUNLIGHT GAS CO., Ltd., Montreal, P. Q.:

GENTLEMEN,—Will you kindly write me prices of gas meters. I am supplying one of my neighbors with light, hence the need of a meter. I might also add that I am perfectly satisfied with the 40-light machine purchased from you. To fully appreciate the advantages of your machine over those on the drip principle, one must become as thoroughly disgusted with attending to one of them as I was when I effected the change for yours. I am using 2-ft. burners at about the same cost as 1-ft. with the old drip.

Yours truly, (Sgd.) J. A. GRAVELLY.

The DeLaval Cream Separators

OFFICE OF THE ARNPRIOR CREAMERY ASSOCIATION, Manufacturers and Dealers in GILT-EDGED CREAMERY BUTTER. Arch'd Russell, General Manager.

Arnprior, 14th Dec., 1900.

THE CANADIAN DAIRY SUPPLY CO., Montreal, P. Q.:

GENTLEMEN,—Now that we have our creamery in operation and all the 30 Baby Separators placed, we thought perhaps you would like to hear from us. It is with pleasure we say that the creamery outfit is most satisfactory, and to add that our patrons are "delighted" with the Baby Separators is using a mild term, more particularly as the majority of our dairymen looked upon the promised results as the "Stock in Trade" of the talkative agents. They have, however, got over that stage, and have now settled down to solid work, which has given us encouragement and confidence in the enterprise that will be of great advantage to stock-raisers, who will have their own milk fed in a normal condition without artificial heating. The expert assistance you gave us was of the utmost importance to the success of the undertaking, in explaining and creating confidence in the minds of our patrons, who are with us solid now.

We have the proof already of the uniformity and smoothness of the cream from the Alphas as compared with that from another make which is quite lumpy and unsatisfactory.

Yours faithfully, **ARNPRIOR CREAMERY ASSOCIATION.** (Arch. Russell.)

A BUSINESS EDUCATION IS NECESSARY ON THE FARM.

Mr. Daniel A. Campbell, of Port Elgin, Ont., says: "I could not have got along without it, and would not now part with the knowledge obtained for any amount of money. I find it just as useful to me on the farm as it was in business. When your business principles are applied to farming, it pays as well as any business, and is more independent. Every young man who wishes to succeed in any calling should have a business education, and the **NORTHERN BUSINESS COLLEGE** is, I believe, the best place in Canada to get it."

Write for catalogue and college journal, which contain many more such testimonials, to **C. A. FLEMING, Principal, Owen Sound, Ont.**
