CURE OF ASTUMA.

Extract of a Letter from Mr. Benjamin Mackie, a re-pertible Quaker, dated Creenagh, near Loughall, Ireland, dited September 11th, 1848. To Professor Holloway.

RESPECTED FRIEND,-Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent, that I was obliged to walk my room at night for air, afraid of being suffocated if I went to bed by cough and phlogm. Besides taking the Pils, I rubbed plenty of thy Ointment into my chest night and morning. (Signed)

fure of Typhus Fever, when supposed to be at the Point of Death.

A respectable female in the neighbourhood o Loughall, was attacked with Typhus Fever, and iny for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr Benjamin Mackie, the Quaker, whose case ; referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an mundiate trial, and right were given to her, and the same number was continued night and morning, for three days, and in a very short time she was completely cared

N. B .- From advice just received, it appears that Colonel Dear, who is with his Regiment in !udia, the 21st Fusileers, cared himself of a very had attack of Fever by these celebrated Pills. There is no doubt but any Fever, however malignant, may be cured by taking night and morning copious doses of this fine medicine. The patient should be induced to drink plenty of warm imseed tea or barley water.

Dn. S. P. Townsuno—I verily believe your Sarespatills has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night events, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarespatills a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.
