

AVOID COSTLY MISTAKES

Some cow owners defer from year to year the purchase of a cream separator and suffer a large loss of revenue thereby. Eventually they buy separators, but unfortunately sometimes perpetuate their loss by investing blindly and thus acquiring an inferior machine.

The De Laval Separator

is the standard by which creamerymen have for thirty years and do to-day measure merit in cream separators. One of the New Improved machines of suitable size will be placed upon approval and without obligation in the dairy of any intending purchaser.

Write for catalog and name of nearest agent.

The DE LAVAL SEPARATOR CO
Montreal WINNIPEG Vancouver

VANCOUVER

WILLIS

Each grate bar has three sides—long wear

When only one side of a grate bar is continually next to the fire all the wear is concentrated on that one side. The life of the grate bar is thus naturally just one-third as long as when the wear is distributed on three sides.

That explains why Sunshine grates have three lives. Each of the four grate bars has three sides. Each time the ashes are "rocked down" (no shaking with Sunshine) the side next to the fire can be changed. Thus the life of the grates is greatly prolonged.

When desired, the heavy bull dog teeth on the grates will seize hold of clinkers, grind them up, and drop the particles into the ash-pan.

Buy the Sunshine—the durable, convenient, economical furnace, guaranteed by largest furnace makers in British Empire.

Build a Home in the Sunny Southwest

- ☛ Health and prosperity go hand in hand in the Great Southwest.
- ☛ People who live in the southwestern section of the United States are the most favored people in America. They have everything to make life pleasant and profitable.
- ☛ The climate is delightful—the winters are open and mild—domestic animals can graze outdoors all year round and the soil produces twelve months each year.
- ☛ Good fertile land can be had cheap—so cheap that large farms can be bought for the price of a few acres elsewhere. The land is equal to the best land anywhere—better in fact because its strength is all there—deep down.
- ☛ Farmers in the Southwest have telephones rural free delivery, convenient schools and churches—in fact all the comforts and conveniences of the older settled communities. Wouldn't you like to live in such a section?
- ☛ This is your opportunity to get a good home in a good country at a price within your reach. Write today for illustrated literature descriptive of the prosperous Southwest. It points to success.
