

WHEN YOU BUY
MARQUIS
YOU WANT MARQUIS

You don't want some Marquis mixed with something else. And since it is hard to know whether seed wheat is pure as to the variety, you have to rely somewhat upon the seller. You should know whether he knows what he is selling, and whether he would sell you inferior seed if he knew it to be poor. We have a big crop of Marquis grading No. 1 Northern. It is free from other kinds of grain and noxious impurities, and is pure to within a fraction of one per cent. We know its quality, because all the Marquis we are selling was grown from seed produced on our farms in 1911. And because we know our seeds are right we say without hesitation that if you are not satisfied with them you may return them at our expense and your money will be refunded.

We Have a Special Offer

Send us a post card and we will tell you all about it. Do not delay in sending us your name; you can remit for the seed during January

HAVE YOU A SATISFACTORY FANNING MILL?

After testing various kinds of grain-cleaning machinery, we selected for our own use machines which we believe are unequalled for quality and quantity of work performed. Knowing that they would do for you what they are doing for us, we secured agency rights for Western Canada. Our experience is at your service.
