RARE CHANCE.

CALIFORNIA,

VIA THE RIVER ST. LAWRENCE.

THE Steamer-Built Steam Propeller *EARL CATHCART*, now plying between Detroit and Montreal, and about 350 Tons Burthen, will leave DETROIT in OCTOBER, and QUEBEC in NOVEMBER, 1850, for CALIFORNIA, in charge of an experienced Captain.

The Proprietors will furnish $10,000; part to be expended in making such alterations and improvements as may be necessary, and in purchasing Provisions and Fuel for the Voyage, and the remainder to be left on board in cash, or used in purchasing extra Provisions, if so determined at a general meeting of the Ticket-Holders, to be held soon after the Tickets are subscribed for.

64 Tickets for Sale, at $500 each. A Ticket entitles the holder to a 64th part of the Vessel, as well as a Cabin Passage to California with such quantity of Freight as may be determined on by themselves, at the meeting which is estimated at about Two Thousand Pounds. Vessel to be given up to Ticket-Holders after leaving Quebec.

Reasons for adopting this method of proceeding to California in preference to all others:—

1st. The certainty of a short and pleasant voyage, insured by starting in November, owing to deriving the benefits of the St. Lawrence Gulf Stream, the Trade Winds, and Mid-Summer, (December or January,) whilst passing through the Straits of Magellan and the Pacific Ocean, always calm at that season of the year.

2nd. Of reaching California at the commencement of the fine and profitable season, and of having a home on arrival there; the Vessel affords such.

3rd. Of owning for each share a 64th part of a most superior Steamer, which, if desired, will command a ready sale, and without doubt at her advantage; or, if preferred, can be run with a large profit to her owners, as the following extract will shew:—

Profits of the Pacific Steamers.—A correspondent of the New York *Sun* says, that the Steamships running between Panama and San Francisco, carry, on an average, 150 Cabin Passengers each way, at $300 each, and 250 Steerage Passengers at $150 each, thus realising $165,000. The expenses do not exceed $65,700, so that the profits of the voyage, on passengers alone, is $100,300. Add to this the Freight—say $8,000, and the total profit amounts to $117,300.

Tickets may be secured on early application to either

IMPORTANT TESTIMONIALS.

Copy of a letter from "COLONEL HAWKER," (the well known Author on "GUNS & SHOOTING,") Longparish House, near Whitchurch, Hants, December 31st, 1846.

SIR,—I cannot resist informing you of the extraordinary effect that I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I am completely rid of it by taking above half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, Sir, your humble servant,

MY DEAR SIR,—I have great pleasure in informing you that my wife has received great benefit from the use of Keating's Cough Lozenges, you recommended her a short time since. Previous to this she had been troubled with a severe cough, and was under some of our first medical men here without experiencing any relief; however, Keating's Lozenges have done wonders.

RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES.

GLASGOW, 13th January, 1847.

SIR,—I have great pleasure in informing you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper from that time until December last. I tried all kinds of medicines, but they were of no avail. I was then advised to try your Lozenges, which I did only to please my friends; but before I had finished a 2s. 9d. tin, my voice, to my great joy, came back as strong as ever.

I am, Sir, your's respectfully,
JAMES MARTIN.

GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronised by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It requires but a few bottles to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high recommendation renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS DISORDERS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

THE *only* of MR. NATHAN MATHEWS, *a highly respectable and wealthy citizen of Newark, N. J.*

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced using them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past recovery, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. It gave me new energy, began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

Newark, Dec. 10, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years, and having adhered to all the directions which accompany the M. dicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are deceased from taking your excellent Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in framing advertisements. But, what a pity it is that the deception used by others should be the means of diminishing many laboring under disease, from making trial and being cured by your excellent remedies. Humanity speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent kind of medicine, and well, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by "Dr. Halsey's Forest Wine and Pills." Among them is the cure of Mrs. John Symes, of 333 Pearl Street, New York, cured of Affection of the Liver and Bad Cough, after having been given over by her Physicians, who pronounced the case consumption. A child of Mr. William Sowers, Brooklyn, New York, who had been dreadfully afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James H. Brown, of Diocese of the Sheet and Anchor Church, Canada, &c. Others of equal importance.

MINERAL WATERS

OF

POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold in the greatest excess in the most oppressive heat of Summer, and that without altering or affecting in the slightest degree the health of the person using them, but on the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

Rt. Rev de Kingston,
Jos. M. Belanger, Pt. P.,
P. C. A. Munro, M. P.,
Amable Simard, M. D.,
L. G. Casseneuve, M.D.,
E. H. Trudel, M. D.,

Dr. Sorion.

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with griping,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion considered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of finding myself incessantly said and as I had been during some days before then, I perceived myself involuntarily disposed to pleasantry. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Caseneuve, experienced the same effects. To conclude, I can say, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Pharmaceutic Waters are so judiciously recommended;

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, (L'assomption,) are acquiring the celebrity they deserve. I, for myself, can, perhaps, rate of the first that alluded to them in the newspapers, in the year 1836, I can testify, from the experience I have had, that the Waters, nevertheless I have never doubted that the proper course must be given to those of Point du Jour—having myself had much experience.

J. M. BELLEROSE, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Geraldine Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 14, 1847.

MR. WM. BOGLE, SIR,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all dandruffs, without producing any of the ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff, scurf, &c. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything in use for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and from the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the drawing room of the fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner P. Barrett, Saratoga Street, New Bedford:

NEW BEDFORD, Feb. 6, 1847.

MR. WILLIAM BOGLE—DEAR SIR:—For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies and Hair Restoratives, she was induced to use your Hyperion Fluid, which she has done for the period of a month or more, and is happy to say that it has entirely restored the hair to its former growth, and that very completely; and the scalp is now entirely free from dandruff, and the hair is much softer and more regular. I am convinced that the Hyperion Fluid is the best article for the hair now in use, and shall recommend it to my friends.

Yours, respectfully, SUMNER P. BARRETT.

BOGLE'S HEBEAINA,

FOR REFRESHING AND RESTORING THE COMPLEXION.

Superseding Rose Water, and other creations of the day, as a cooling, cleansing fluid, delicate, and refreshing. It is equally efficacious in preserving the skin from the hot sun of summer, and freezing winds of winter, and for all sorts of roughness and deliterious article to be found at the toilet or fireside.

All the above articles have stood the test of the strictest investigation, and are warranted superior to anything yet introduced.

TO THE LADIES.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation;
Preserve it then, Ladies, never part with your hair,
Unless you protect it with this preparation.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, sex, or condition, appears to be no obstacle whatever; it also causes the field to flow with which the delicate hair tubes is filled, by which means thousands (whose hair was gray as the aristic eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used, or myself, who am, perhaps, one of the first that allured to them in the newspapers, in the year 1836, I can testify, that since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the proper course must be given to those of Point du Jour—having myself had much experience.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Geraldine Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET..

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 14, 1847.

MR. WM. BOGLE, SIR,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all dandruffs, without producing any of the ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff, scurf, &c. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything in use for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and from the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the drawing room of the fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner P. Barrett, Saratoga Street, New Bedford:

NEW BEDFORD, Feb. 6, 1847.

MR. WILLIAM BOGLE—DEAR SIR:—For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies and Hair Restoratives, she was induced to use your Hyperion Fluid, which she has done for the period of a month or more, and is happy to say that it has entirely restored the hair to its former growth, and that very completely; and the scalp is now entirely free from dandruff, and the hair is much softer and more regular. I am convinced that the Hyperion Fluid is the best article for the hair now in use, and shall recommend it to my friends.

Yours, respectfully, SUMNER P. BARRETT.

BOGLE'S HEBEAINA,

FOR REFRESHING AND RESTORING THE COMPLEXION.

Superseding Rose Water, and other creations of the day, as a cooling, cleansing fluid, delicate, and refreshing. It is equally efficacious in preserving the skin from the hot sun of summer, and freezing winds of winter, and for all sorts of roughness and deliterious article to be found at the toilet or fireside.

All the above articles have stood the test of the strictest investigation, and are warranted superior to anything yet introduced.

WILLIAM BOGLE, Proprietor,
Sole Manufacturer for Canada.
