IN MAJOR PERRY'S COURT

Much Time Spent Over an Armful of Alleged Stolen Wood.

W. H. Schwartzer Saws Wood-Matheson Must Pay Brown \$572 -Cases Continued.

In the case of Johnson vs. Miracle & Meyers, suit for \$76, labor performed on a Hunker creek claim, postponement was made until Monday, the defendants not being present this morning.

J. Bartell was up on a charge of stealing wood to the value of \$2 from R. P. Curtis and a man named Gamble, Attorney Robertson appeared for the accused while Curtis represented the prosecution. Both men swore that they had recognized their wood in bartell's cabin; that it was covered by a bed quilt. A man named Seidell also swore that he had been a victim of theft by Bartell and had taken him in the very act of stealing his wood. In defense Bartell swore that a quarter of a cord of wood lasts him six weeks and that he has bought six quarters of wood since last fall. Several witnesses testi fied to the general good reputation of the accused who is now employed at the Melbourne Annex, and who formerly conducted a gambling game in the Pavilion, in which connection it came out that Curtis was at one time employed by Bartell in the capacity of booster. In summing up the case the court held that while the prosecution nad made a strong case against Bartell, there was a doubt to the benefit of which the accused was entitled, therefore he was discharged. Like the old Scotch verdict it was "not proven," instead of "not guilty."

The case of Bell vs. Ramsdale for money was set for Monday forenoon.

Yesterday J. U. Nicol who runs a store on the corner of Third street and Fourth avenue wrote a letter to a niece in Scotland in which he enclosed five small gold nuggets to the approximatevalue of \$8. Dropping the letter in his coat pocket he stepped out for an armful of wood. In picking up the wood the letter dropped from his pocket of which he was then aware. Hastily entering his store and depositing the wood he returned to pick up the letter, Chora but it was gone. On inquiring of a man who was sawing wood nearby he was told that a big Dutchman who had outside. just passed had picked up a letter. Nicoll went to the cabin of the Dutchman, whose name is W. H. Shwartzer, and whose cabin is in suspicious prox. unity to the rear of one of the houses in "French row," but when asked for the letter the latter denied all knowledge of it. A warrant was sworn out by Nicol and the case as stated above was presented in court this morning, the prosecuting witnesses being Nicol and the wood sawyer. The accused was defended by Attorney Robertson, but legal assistance was of no avail, and Shwartzer, who weighs over 250 in the shade will exercise on the royal woodpile for 30 days.

L. J. Brown was yesterday afternoon given judgment against Sam'l Mathe son for \$572 for labor performed on No. 10 above on Sulphur.

Weather Report.

The minimum temperature last night was 43 degrees below zero.

At 9 o'clock this morning the thermometer at the government barracks registered 41 degrees below.

At noon the weather was a little colder, the instrument recording 42.5 degrees below.

Concert Sunday Night.

Tomorrow night the Philharmonic

Mrs. Leroy Tozier, contralto, and Mr. Erhardt, cass. An excellent program of operatic and classical music has been arranged and the success of the enterprise is assured.

The Elby Dance.

An enjoyable dance was given by Mrs. Robert Birch in the Elby road house, 30 below on Bonanza, last night. Quite a few persons from Dawson and Grand Forks attended. There were 18 numbers on the program, and it was not till the early hours of this morning that the dancers departed for their respective homes. The affair was under the management of Prof. James Duffy. Excellent music was rendered by Mr. Thomas Majuy's orchestra.

Last Night's Fire.

All the members of the fire department responded to an alarm which was turned in at midnight from the A. C. office building. The soot in a stove pipe had been ignited and burned until the pipe became red hot. None of the department apparatus was required, and the pipe cooled after a short time. No damage resulted.

PERSONAL MENTION.
