It is understood that a contract has been signed by Mr Murray, of Pictou, to fix the abattoir at Wentworth. The price is \$5,000, Windsor contributing \$1,500. It is claimed that the total loss from the breaking of the abattoir is not less than \$12,000. Two square miles of dyke land is flooded at present.

Mr Shaw had the Aberdeen Belch open for the first time this season on Victoria Day. A large number on pleasure bent were present. A sham fight between the cadets under Capt Woodworth and a number of the 68th battalion, under Capt Percy Smith, was a fine imitation of the real scene on a battlefield. After a short engagement, in which both seemed victorious, the 68th yielded to the Cadets. During the battle, Kruger was seen fleeing across the fields. Afterwards, the Cadets had a drill to music by the 68th band.

Mr Shaw has had two new flag poles erected, the gift of Capt James Hunter. These were flying gay flags. The proprietor looked after the wants of the crowd in fine style—just the man for the business.

**PERSONALS**

Miss Edna, daughter of Mayor Whitman, has returned from her studies at Mt. Allison. Mr Whitman was present at the exercises and came back with his daughter.

Mrs O'Toole of Roxbury, Mass, is stopping for the summer months at the Avon house of this town, kept by Mrs Newcomb. Mrs Beener, Mrs Newcomb's daughter, who has been visiting in Roxbury, returned to Hantsport Thursday.

Mr and Mrs Peter Wilson, who formerly lived at Newport, Hants county, and moved to Iowa some twenty years ago, are visiting friends in Summerville and vicinity, and will remain for the summer. Mrs Wilson's health has been already much improved by the bracing health giving air of Nova Scotia and the sea breezes of the Avon.

Mr Russell, son of Dr Russell, M P for Hants was down to Walton on Friday looking after breakwater at that place, which will be replanted. It is said the breakwater at Cheverie also needs repairs.

Rev M C Higgins of Wolfville preached in Summerville Baptist church last Sunday morning, at Brockville in the afternoon and in the evening at Ch Verie.

**How Strong Are You?**

The dial of the punching machine won't answer that question. Strength depends on nutrition. When the stomach and other organs of digestion and nutrition are diseased, the body fails to receive its full supply of nourishment and hence grows weak. That is why no man is stronger than his stomach.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and the allied organs of digestion and nutrition. The food eaten is then perfectly digested and assimilated and the body is made strong in the only possible way—by nutrition.

"I was troubled with indigestion for about two years," writes Wm. Bowker, Esq., of Julietta, Latah Co., Idaho. "I tried different doctors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a pain in my stomach and side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Pellets' cured me."

Mr. Justice Caldwell, who is teaching at Bishopville, visited his home last Saturday.

Mr. Elijah Eagles, a former old resident, is spending a few weeks in this vicinity.

Mr. Herbert Blois spent a few days of last week at the home of his Aunt, Mrs. Haliburton Brown.

Mrs. Joseph Dorman is spending a few weeks in Wolfville. She will probably take in the anniversary.

**Catarh Easily and Quickly Cured**

Poor remedies have given Catarh the reputation of being incurable. But it is curable easily and quickly if the right method is employed. Snuffing an irritating powder or ointment up the nose won't cure Catarh neither will tablets douching, or stomach medicines cure. These treatments fail because they are not far reaching enough. They only affect local condition but do not remove the cause which is germ life established deep down in the lungs bronchial tubes and nasal passages. Ordinary remedies do not reach these remote parts but Catarhzone does for it is breathed through the inhaler into every air cell of the lungs and into every air passage in the head and throat. No matter where the Catarh is Catarhzone will reach it. It kills the germ and also spots clears the nose and throat in a twinkling. Universally used; pleasant and clean guaranteed to cure or money refunded. Try Catarhzone 25c and \$1.00. Druggists or Polson & Co., Kingston Ont.

Jack—I'll tell you what's the matter, George. You don't praise your wife enough. Even if things don't go right, there's no use growling. Praise her efforts to please, whether they are successful or not. Women like praise and lots of it.

George—All right. I'll remember it.

George, at dinner, same day.—My dear, this pie is just lovely. It's delicious! Ever so much better than my mother used to make. She couldn't equal this pie if she tried a month.

George's Wife—Huh! You've made fun of every pie I ever made, and now—

George—But this is lovely.

**Coldbrook**

May 30—Coldbrook celebrated Victoria day in a worthy manner. At 2 p. m. the school with Miss Young leading, marched from Mr. E. E. Porters to the school grounds, where some very pretty exercises and songs were sung, after which the flag was raised by Miss Young, the singing of God Save the King closing the exercises. M. P. Innes, Mr. W. C. Roscoe, Dr. Staw and others then spoke on various subjects. The remainder of the afternoon was devoted to sports, consisting of bicycle races, footraces, tug of war etc. The bicycle race was won by R. Croft, the boy's race by Eddie Harrington, the men's race by D. E. Woodman, who also gave a walking exhibition which was enjoyed by all. The tug of war was declared a draw.

**Hillford**

May 29—"Billie" Dearman's dog is dead," is a remark one frequently heard a couple of weeks ago. Mr. Dearman is a farmer and butcher living about three miles from here on the road leading to Brookly; the dog his close friend and companion, had gained considerable local notoriety for his unusual intelligence. The creature had very decided political preferences. Of course, he knew as little about politics as the average man that shouts himself hoarse on election day, but like his human brother he saw a great difference in the names of Grit and Tory. He was always pleased to be called a Tory, but grew very vicious on being told he was a Grit, and made the one that so addressed him feel they had done a dangerous thing. We have also been told of his stoical indifference to pain—how he patiently held out a paw to have a mutilated toe amputated; his face beaming with pleasure and gratitude, during the whole of the operation; then from a word from his master danced merrily on his hind feet much to the amusement of the spectators. But the dog had grown old and with that strange premonition of approaching death that often comes to dogs as well as men, he sought a quiet spot in the woods and retired there to die. Mr. D. dreamed his dog was dead in a certain wood and on the day following went to the very spot he had dreamed about and found his dog dead. Is there anything in dreams or was this a coincidence?

Mr. Everett Pearl, not finding fish as plentiful as he had anticipated, has taken up his nets and gone up to Kings Co.

Mr. Russell's supporters, being still unable to decide upon the place of location for the proposed wharf on the Avon for the accommodation of this place and Burlington, we understand a civil engineer is to be left to him. We hope something definite will soon be decided on.

G. Nellie Reynolds and T. Marion Sanford spent a very pleasant day recently at Valley Falls, Woodville, with the Davison family.

Mrs. E. Card and children who having been spending the winter in Fitchburg, Mass., were visiting her father, Mr. William Reynolds, and friends here last week before returning to her home at Burlington.

The extensive young orchard of Reynolds Bros. is looking well and progressive. One hundred winter pear trees purchased of the Newport Nursery Co. are the finest for their age we have ever seen.

Queen's Birthday passed quietly being little observed as the holiday, the farmers being busy at planting.

**GREAT HARSHIP AND EXPOSURE ENDURED**

Capt. Adnah Burns of Dayspring, N. S., Tells an Interesting Story From His Own Experience.

From the Progress, Lunenburg, N.S.

Capt. Adnah Burns of Dayspring, Lunenburg Co., N.S., is a prominent representative of a large class of men in Nova Scotia, who, during much of the year, follow the dangerous occupation of deep sea fishing. When not at sea Capt. Burns' vocation is that of ship-carpeteer. He is 43 years of age, and is today a healthy, vigorous representative of his class. Capt. Burns, however, has not always enjoyed this vigorous health and while chatting recently with a representative of the Lunenburg Press, he said he believed that, but for the timely use of Dr. Williams' Pink Pills he would have been a chronic invalid. From 1893 to 1898, said Capt. Burns, I was the victim of a complication of troubles. I suppose they had their origin in the hardship and exposure I so frequently had to undergo. My illness took the form of dyspepsia and kidney trouble. The foods which I ate did not agree with me, and frequently gave me a feeling of nausea and at other times distressful pains in the stomach. Then I was much troubled with pains in the back due to the kidney trouble. Finally I took a severe cold which not only seemed to aggravate these troubles but which seemed to affect my spine as well, and I became partially rigid in the arms and legs. I was forced to quit work, and doctored for a time with little or no benefit. Then I dropped the doctor and began taking other medicines, but with no better result. By this time I was run down very much, had no appetite, and was depressed both in mind and body. While in this condition I chanced to read in a newspaper the testimonial of a cure made by the use of Dr. Williams' Pink Pills, which in some respects presented symptoms like my own. The straightforward manner in which the story was told gave me new hope and I determined to try these pills. I did not expect that this quantity would cure me, but I thought it would probably decide whether they were suited to my case.

I must say they seemed to act like magic, and before the pills were gone there was a decided improvement in my condition. I then got a half dozen boxes more and before they were gone I was back again at work in the shipyard and enjoying once more the blessing of vigorous health. This was in the spring of 1898, and since that time up to the present I have not been laid up with illness. Occasionally when suffering from exposure of over work I take a box or two of Dr. Williams' Pink Pills and they always put me right. Since my own marvellous rescue from premature uselessness and suffering I have recommended these pills to many persons variously afflicted and have yet to hear of the first instance where they have failed to give good results.

It is such endorsements as these that give Dr. Williams' Pink Pills their great popularity throughout the world. Neighbors tell each other of the benefits they have derived from the use of these pills and where a fair trial is given the results are rarely disappointing. Dr. Williams' Pink Pills go directly to the root of the trouble, they create new, rich, red blood, stimulate the nerves to healthy action, thus bringing health and strength to all who use them. Sold by all dealers in medicine or sent post paid on receipt of 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Lieut. Governor McClean, of New Brunswick, has offered \$5000 towards the cost of a technical school at Sackville, if a similar amount will be raised by other friends at the Mt. Allison institution.

Relieve those Inflamed Eyes!

**Pond's Extract**

Reduced one-half with pure soft water, applied frequently with dropper or eye cup, the congestion will be removed and the pain and inflammation instantly relieved.

CAUTION: Avoid dangerous, irritating White Hazel preparations represented to be "the same as" Pond's Extract which easily cure and generally contain "wood alcohol," a deadly poison.
