Many in Kentville praise the simple mixture of buckthorn bark, glycerine, etc. known as Adler-Ka. This remedy is the most THOROUGH bowel cleanser ever sold being even used successfully in puerperia. ONE SPOONFUL relieves most ANY CASE of constipation, sour gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler-Ka cures of grippe and the INSTANT action is surprising. Canadians Away From Ypres Salient

Have Been Transferred to the Somme District—The Fourth Division Has Gone Over to France

Ottawa, August 15.—The Canadian troops have been withdrawn from the Ypres salient after occupying the position for upwards of a year. The salient has not been abandoned, but other British troops have been assigned to the defence of it, while the Canadians have been sent to the Somme district to assist in the general defence there. Canada has now four divisions at the front, the fourth division which for several months has been under going training in England has now gone over to France.

These announcements were conveyed in a cable this morning to the militia department from the minister of militia.

It is fully anticipated that the Canadians will now take part, with British and Australian troops, in the big British offensive in the Somme district. The fourth division is commanded by General David Watson, of Quebec.

Not What She Meant
Mr. Titus was travelling in Italy and one morning was quite surprised to meet some people from his native town.

"Why, Mrs. Clarke?" he cried. "How do you do? You are the last person I expected to see in Italy."
"If it isn't Mr. Titus!" exclaimed the lady, in surprise. "Yes, we are spending the winter here. You must call on us often. You know just how it is—persons we never think much of at home seem like dear friends when we meet them in a strange country."

Enough Said
An Irish priest, preaching to his congregation inquired of them:

"What is it that makes ye hate your wives?—Whisky. And what is it makes ye shoot at your landlords?—Whisky." Then, screaming with excitement, he cried: "And what is it makes ye miss them?—Whisky!"

"Oh, boys," he concluded, "what more can I say to convince you of the evils of drink?"—Birmingham Gazette.

Following Example
While playing with a pair of shears little Laura severed one of the prettiest of her golden curls.
"My dear child, why did you do that?" asked Aunt Mary, who came to call soon afterward.
"I wanted 'em so I could take 'em off and hang 'em on the bureau," explained the little girl. "Just like mamma does."

Conductor W. Conrad has moved his family to Middleton and taken the house formerly occupied by Principal Ruggles. This move has been found necessary owing to the change of freight trains. Mr. and Mrs. Conrad have made many friends during their short residence here who regret their going. Annapolis' loss is Middleton's gain.—Spectator.

Why pay more for Less Value in some other car

NEVER in the entire history of the motor industry has there been a 6-cylinder car that offered such GREAT value for the price as this Studebaker SERIES 17 Six at \$1450. To approach it in POWER and SIZE, you must look among cars priced hundreds of dollars higher. And none of the cars closer to its price give as much power, size, room, luxury of finish and fittings and basic quality of materials.

Here are the essentials of this magnificent "MADE IN CANADA" car on which to base comparisons—FIFTY horse power—motor 3 1/2 inch bore x 5 inch stroke; comfort for SEVEN passengers; 31 1/2 inch wheelbase; 34 x 4 tires that give not only tire economy but riding ease; genuine straight-grain, semi-glazed leather upholstery; and quality of materials and workmanship in every detail that are unequalled at any price.
