THE ADVERTISER

H. G. HARRIS Editor and Publisher KENTVILLE, FRIDAY, JUNE 22, 1917. A STIR UP IN BEER AND LIQUOR CIRCLES

During the last few weeks Inspectors Patricin, Kings Co., and Davis, Kentville, have been on a sharp look out for booze. With other constables they searched many places in the vicinity of Kentville. On all occasions they failed to find any quantity of hard liquor but corralled lots of beer varying in strength on analysis from 2 1-2 to 3 per cent. Around the vicinity of Camp Aldershot was where the business was flourishing. When the beer selling places were raided the owners were induced to destroy a large quantity of the beer.

On Saturday last four cases were up before Stipendiary S. S. Strong and disposed of as follows.

Austin Lockhart for selling and keeping beer for sale, fined \$50 and costs.

Dominic Bradford (Indian) keeping for sale fined \$50 and costs.

James Toney (Indian) selling and keeping for sale. Fined \$50 and costs.

Maynard Wile, keeping beer for sale, no conviction.

All the above were County Cases.

In the Town of Kentville before Stipendiary Webster two cases were heard against Harry Times (colored) for selling rum.

A conviction was obtained in both cases and Times was fined \$50 each and costs. He is now serving out 60 days in the Kentville jail. The price of liquor in town is now ruling high, which must show that the supply is very limited and the demand good as the witness swore that Times charged him four dollars a bottle, for very much diluted overproof rum.

In the Town Police Court William Carroll was brought before the Recorder for using his stomach too freely as a depository for liquid tanglefoot and Mr. Webster gave a sentence which shows that such conditions are not to be allowed to continue without a salutary lesson. The defendant falling to tell the truth about where he got his liquor, was fined \$20 or 60 days, and he now looks out on the world from Coleman's select dining rooms.

COMMERCIAL CLUB OF HALIFAX VISITS THE VALLEY

On Saturday the Commercial Club of Halifax numbering about 125 took a trip through the valley as far as Digby in a special train with Conductor Clarke in charge. They were accompanied by General Manager Graham, R. U. Parker, Supt. Haanel, J. H. Yould and Mr. Comeau of the D. A. R. staff and Prof. Blair joined at Kentville. They were regally entertained at Annapolis and enjoyed their short stop at Kentville.

LAST WEEK'S LIST OF TORPEDOED SHIPS SHOWS THE HIGHEST TOTAL OF MANY WEEKS: A RECORD FOR ONE DAY

LONDON, June 20--The weekly list of British losses in torpedoed ships, which will be issued today, will show the highest total of many weeks, the number of ships sunk being comparable to the worst week since the ruthless U-boat campaign began. The returns week by week for the last three months show that the activities run in waves and it is assumed that this week is the crest of a period of superactivity noticed the previous week.

The last week includes one day which is recognized as a record for the number of vessels lost. The situation, however, is not regarded over pessimistically by naval men who insist that the admiralty methods of fighting the submarines are constantly growing in efficiency. In support of this they point to the constantly increasing number of boats which escape the submarines. The Germans are resorting to every possible method of circumventing the patrols and the submarines frequently change the scene of their operations.

LATE LIEUT. HILTON

The Montreal Standard prints a fine photo of the late Acting Lieut. Elehan Hilton, formerly of the 63rd Halifax Rifles, and only son of Mr. Arthur H. Hilton, of Kingston, N. S. Lieut. Hilton who much resembled the late Eric Dennis was of the same age as that officer, was in the same company and met death on the same day at Vimy Ridge, April 9th, 1917.

CLOSING AT EDGEHILL

On Tuesday the closing of Edgehill School took place at Windsor. The year had been a very successful one and good work was accomplished. Among the long list of prize winners etc. were Evelyn Ward of Kentville, prize in needlework and Hester Sprigg, Port Williams, advanced in Pianoforte, Elementary Division.

"CONSCRIPTION"

United services will be held by the Methodists and Presbyterians until Dr. Borden comes to take charge of St. Stephens Church on July 3th.

The French Canadians and Conscriptors will be the subject taken up by Mr. Layton on Sunday evening. While in Montreal Mr. Layton saw many evidences of the intense opposition of the French in Canada to Conscription. The General Assembly passed unanimously a resolution in favor of Conscription.

ST. JAMES' CHURCH

Parade of Freemasons

On Sunday evening next, June 24th, St. John Baptist Day, the members of Kentville Lodge, A.F. and A.M. together with members of adjoining Lodges and visiting brethren, will parade to St. James' Church, where the chaplain, the Rev. T. C. Mellor will preach on the subject of the day. It is a fact worthy of note, that the Grand Master, in his admirable address to the Grand Lodge, held in Truro, last week, urged all the Lodges in the jurisdiction to attend Divine Service on St. John Baptist's Day and Kentville Lodge is simply carrying out the Grand Master's desire.
