WOLFVILLE, N.S., JAN. 31, 1895.

### Local and Provincial.

Wolfville Division, S. of T., intend paying a fraternal visit to Kentville Division this evening.

Dr. Kelsch is to lecture before the Kentville Y. M. C. A. next Tuesday evening on "Elements of National Greatness."

The next Baptist District Meeting is to be held at Tremont, Aylesford, beginning Monday evening, Feb. 3rd, and continuing through the day following. M. P. F. Secty.

William Cummings, Esq., senior partner in the firm of William Cummings & Sons, Truro, left for England by the S. S. Labrador, on Saturday, to purchase goods, etc. This is Mr. Cummings' 25th trip to England, and when he returns to Truro he will have crossed the Atlantic ocean 50 times.

A shocking murder was committed at Bear River on Monday night, the victim being Miss Annie Kempton, aged sixteen years. She was staying alone in the house, her parents being absent, and in the morning was found brutally murdered. A young man suspected of the crime has been arrested.

The Wolfville Curlers went to Windsor on Wednesday evening last, and played a match with the team of that town. Taking into consideration the fact that the Wolfville players are comparatively novices in the art, the result of the game should be very satisfactory to them, the score standing 16-10.

Notice is hereby given to all persons that the Windsor (N. S.) Rubber Stamp Co. make a first-class Stamp. If in need of one call at the Acadian office and leave your order. Rubber Type, Fonts, Pads, etc., procured at short notice.

L. S. GOWE, Agent.

The snow-storm of last Saturday night was a severe one—the fall of snow being the greatest for years. The streets were almost impassable on Sunday, and in consequence the attendance at the churches was small, in the morning. The snow-plow was out early, however, and cleared the side-walks, and gave people a chance of getting out in the evening.

It now looks as if Hants County would have a Central Railway within two years. The Midland Railway Company has applied to the Dominion and local parliaments for the usual subsidies, and to the Municipal Council of West Hants for right of way which no doubt will be granted. And as regards the ability of the Company to perform the work there seems to be no doubt.

We, the undersigned Grocers and Hardware Merchants of Wolfville, do hereby agree to close our stores three evenings each week—Monday, Wednesday, and Friday—at 9 p. m., commencing Feb. 24, 1895.

F. J. Porter, J. W. Vaughan, T. H. Harvey, L. W. Sloan, G. H. Wallace, C. E. Starr & Son.

A runaway on Monday afternoon last caused quite a little excitement. The festive charger owned by Mr. H. Pines, of this town, became startled while standing near the Post Office, and dashed down Main street at a record-breaking clip. Near the establishments of C. E. Starr & Son he rushed into the arms of a sturdy bystander, and was checked in his mad career, without any damage being done. For about five minutes the streets had quite an Anniversary appearance.

Mrs. H. D. G. Harris is very ill with inflammation of the lungs. The revival meetings in the Baptist church are being continued through this week. The rink was opened for skating Tuesday afternoon. The promised carnival is to take place Thursday evening. The teachers of the Methodist Sunday School give a tea to the officers and scholars Tuesday evening. Those who have been complaining about a lack of snow, are surely satisfied this time. I have been informed that the recent snow-storm started somewhere in Cape Breton County.

Greenwich.

Our little community was suddenly startled by the cry of fire on Sunday morning last, about 7.30 o'clock. The fire was in the apple house belonging to Mr. W. H. Chase, of Wolfville. The men rushed to the spot immediately, but arrived too late to save the building, as the whole inside was in flames. Seeing that it was useless to try to stop the fire, our attention was then turned to the Railway station, which had a very narrow escape, as the buildings were only about thirty feet apart. Mr. Chase had in the cellar about fifteen hundred barrels of apples, on which we understand, he had an insurance. The loss will be very heavy, although they succeeded in getting out a few hundred barrels which are seemingly uninjured.

Mr. Walter Bishop who has been in the D. A. H. office at Halifax, has returned home, and is attending the Academy at Wolfville. The wife of the Rev. W. W. Colpitts, Rev. Portage, is visiting her sister, Mrs. Henry Bishop of this place. Mrs. Colpitts expects to remain until about the last of February. We are very sorry to hear that Mr. Enoch Neary has a very bad cold, which prevents him from being out of the house. We hope to see Mr. Neary about again in a few days. A delegation from the N. S. Fruit Growers' Association, went to Halifax on Thursday evening to interview the Government with a view to securing an increased grant for the School of Horticulture. The delegation included Prof. Faville, President, Hignew, Secretary, Parker and W. O. Archibald. Representative men from other parts of the Province were also to be present.
