

Mr. Outport Customer:

DON'T you remember the never fading dye, the enduring qualities were in the black and blue serges you got from us before the war? Yes, certainly! We can give you the same again. Our latest arrivals are guaranteed dyes and pure wool. Samples and style sheet, with measuring form, sent to your address.

WHO ARE THEY?

You would think they are talking about the little rat. They are, but they are also telling their names. All you have to do is to rearrange the letters, and have the name of each. What are their names?
Answer to yesterday's puzzle: PENCIL plus LOG—CONE plus BAT
