OF DYSPEPSIA

Suffered Tortures Until She Tried "Fruit-a-tives"

St. Jean de Matha, Jan. 27th, 1914. "After suffering for a long time with Dyspepsia, I have been made well by 'Fruit-a-tives." I suffered so much that at last I would not dare to eat for I was afraid of dying. Five years ago, I received samples of "Fruit-a-tives" and after taking them I felt relief. Then I sent for three boxes and I kept improving until I was well. I quickly regained my lost weight-and now I eat, sleep and digest well-in a word, I am fully recovered, thanks to 'Fruit-a-tives.'

Ford Canadian Plant Supplies all **British Dominions**

Ford, Ont., Feb. 29, 1916. The Ford Canadian plant at Ford, Ontario, supplies cars to India, South cause they know its action on the Africa, Australia, New Zealand stomach, liver and bowels is prompt and all other British possessions, outside of the British Isles themselves. There are Ford dealers and Ford service stations in every principal city and town throughout the Empire and the Ford car is as popular and serviceable in those countries as it is here in

This makes it clear that the plant is as much a British as a Canadian concern; in fact it is the largest automobile factory in the British Empire. Canada may well feel proud of this industry because it was founded and is day evenings on March 1 it will managed by Canadians, and is conducted along purely Canadian We regret to report the serious lines in fullest sympathy with the illness of Mrs. H. Most Winnipeg houses are asking \$1.25 per bushel for Alberta and Manitoba potatoes and some ask as high as \$1.50. The feeling is that the price must go up to \$1.50 before the end of the month. The price being asked for British Columbia potatoes is exceedingly high, and some local dealers will not take them at quotations. It is understood here that the recent frost in British Columbia has injured much of the crop-probably 90 per cent, - and Manitoba dealers are anxiously waiting news regarding Alberta stocks, as they are practically dependent on that province now, considering that the amount grown in Manitoba last year was very small, there being hardly enough to supply country points, Winnipeg importing large supplies.

The reason for the big jump in the Winnipeg market last week was that quotations there had been much lower than they should have been all winter compared with eastern markets, and the sudden scarcity brought about by frost in British Columbia made high prices necessary. The feeling in Winnipeg is that there is a good market for Alberta potatoes, and is no doubt they will bring

"I am often asked why Chamberlain's Cough Remedy is best for babies. Well, there are several reasons: First: It is perfectly harmless and can be given with every

confidence to the youngest or most delicate child. Secondly: It contains no alcohol, opium, chloroform, morphine or any other narcotic.

Thirdly: Children like it, and, no persuasion is needed to

For the above reasons alone it is impossible to get a better medicine for babies than
