DAPH AND HER CHARGY

Charlie burst impetuously 100 the charlie burst impetuously 10 the room, unmindful of the ranger, while Louise more timidly blowed. Warm tears filled the ew of Rose Stuyvesaut as she lookedor the first time, on the applians. Charlie saw immediately the happ hange that had passed over Diph's face, and, walking straight up to bor, he said, Daffy's better! Good time, on the whians. Charlic saw immediately the hap? hange that had passed over Diph's face; and walking straight up to ber, he said, 'Daffy's better! Daffy's better! Good Daffy!' and he laif his curly head on her dark arm, which told how dearly she was beloves.

The bitter reproaches that rose to Mary's lip's were hushed at the mention of the children; and she hastened to comfort them, as well as she could, she want of the wind steadily below was a wid her holy work to do Darby.

she was beloved. A peculiar attraction seemed to draw Louise to the side of the stranger; and when she was tenderly kissed, and that sweet, soft face bent and that sweet, soft face bent length of the stranger in the strange

was but a small obstacle in the way of the which she had been thrust.

"Is it not mamma?" murmured the the strong hands that forced it instant- Well," she continued, "de

an approving smile, were they heard by that mother in heaven.

somewhat for to care Daph, for by you do be a wicked of the large of the

by degrees the agitation of little 'He's an old, bad man to hurt Daffy, so much better dan you can't He's Louise subsided, but she quietly kept and I ain't glad to see him a bit,' said jus' able Hisself to take care ob c her scat on the lap of her new friend, Charlie, with an augry look.

Charlie, with an augry look. The Vine Growers Company of Cogne France, Julies Duret, & Co., Julies Duret, & Co., and seemed to find a new pleasure in looking into her kind face, and smooth-man!' said the slender young doctor, Thus consoled, I

mg her fair, soft hand.

Meanwhile, Daph drew from her pocket a parcel, which she had ever carried about her, perhaps with the shoulder of the astonished Daph, and slowly crept along the floor, and The Windsor Flour Mills, do.

Vinegrowers Brandy, Hoke's Geneva, and Messrs. Hiram Walker's Sons Alcohol and Old Rye Whiskey, invorted for the trade into any sea port if New Brunswick, or Prince Edward Island direct from the above named houses.

16 NELSON ST., - SAINT JOHN, N. B. V. R. BONNED WAREHOUSE, No. 4.

That was all about Him, I know,' said Daph, 'about that good Saviour; but Daph can't read the blessed Book.'

Day of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, weary hours passed away.

The new and beautiful truth' had of late been brought home said she with an indignant glance. 'What for is I goin to waste my time goin wid them as I has no business wid?' Perhaps you doesn't know what manners is, to be laying hands and the property of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come with us, shoulder of the astonished Daph, and a rough voice said, 'Come wi

ies of the child on her knee, and she was hurried towards the door. Louise, through fresh tears, was and one of the men, coarsely, for to dem be me, and forbid them not, for of such if you holler till you are boarse.'

is the klugdom of heaven,' read the Daph began to struggle viole

sweet voice of Rose. 'All are the and the sinewy men who held her the lock, little Louise at the sound of these words, and she kissed the lips of the gemman, and stand still to see a poor and a call speaker, with strange joy in her eyes.
'I cannot stay any longer now,' said
'You are only getting you

Rose, attempting to rise. 'Don't go! don't go!' said Louise, But I must, my sweet Louise.' said for the other awful crimes which yo Rose, as she gently disengaged the child: 'I must go now, but I will come every day and read to you and come every day and read to you and ment of the law awaits you? your 'Daffy,' out of this dear Book.

'When? When? What time will you come?" asked the child anxiously,

'To-morrow, at eleven o'clock, you against poor Daph. Ise not must stand at the window and watch for me; I will not keep you waiting be back soon 'nough.

With this promise again repeated, struck with silent astonishme Rose kissed the children, and, with a murmured word of kindness to Daph, passed from the room the room. passed from the room the room.

Not so soon passed away the influ-once of that visit prompted by Chris-tian kindness, rich in blessings to the humble acgress; most precious to that legs of Dr. Bates, w young disciple of Christ, who had dignife ed to love to be 'about her Mas- give a kip ter's business.'

CHAPTER X. STRANGE PROCEEDINGS Day after day Rose Stuyves tinued her ministry of love to Da and the little ones. The hour

and well it might be, for sh

with her the sweet infl

ing heart and an

lig about with a step a little more long, covered waggon, and rapidly borne away from the door.

At this moment Mary Ray ran, breathlessly, up the steps, exclaiming, 'Where have they taken Daph, mother? and his nose pressed from time to time flat against the window, and had the control of the steps.

time flat against the window, and had vehemently; 'who could have told it of ruins. Its beauty is gone, its p time flat against the window, and had vehemently; 'who could have told it drawn all sorts of strange characters would have ended that way! I am prity checked, and desolation with his fat fingers, in the dampness sure I never meant any such thing. left by his breath on the pane, at Daph's gone to prison; and just as length had his attention suddenly arrested. 'Oh, Lou' he shouted, look and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, barometer gave sure signs that, and have the children upon my hands, have the children u
