Murdock.

Wm. Irving and John Cassidy were appointed constables.

Coun. Flett, on request, was excused for

two days. The following were appointed a committee to appoint standing committees, Pond, Watt, Anderson, McColm. Dolan, Coun. Pond reported from committee to

appoint standing committee as follows: COUNTY ACCOUNTS-Conners, Swim. Pond, Parker, Davideon.

ALMSHOUSE-Dovle, Dolm, Common, the mails fumigated, all the Murdock.

McColm.

CONTINGENCIES-Watt, Hubbard, Lewis, PARISH ACCOUNTS .- Ryan, Robertson, supplies to quarantined persons.

been presented by Northumberland for the amount to which it was entit'ed. The county has a claim for aat, and also for half of the pr ent expenditure, and the govment will pay it. The Board Health deserved credit for the tive and stringent measures that 4d been taken. Some persons did 10t recognize the necessity for such neasures, but suppose the Board had not cone to the expens. of querantining the houses, and men had carried the disease to the lumber camps. The lumber indus-try would have been disastrously

Board deserved eve y consideration He would like to see the bills passed and the additional amount that had been asked for granted. The Government would pay half as in other counties.

Coun. Murray thought the Board deserved great credit for having confined the disease to the corner of the county in which it broke out. It might have spread over the whole county. The amount of the bills was small in comparison Coun. Ryan moved adjournment with what they would have been if to 4 o'clock for committee work. the disease had spread.

Coun. Watt moved a vote of When the Warden took the chair thanks to Premier Tweedie for his at 4 o'clock Coun. Watt read the generous conduct in smallpox report of the County Board of Health, and said the bills would be The Warden te

The Warden tendered the vote presented next day. The report strongly condemns the negligence of thanks to Mr. Tweedie.

Mr. Tweedie said he had only of physician's in not reporting cases of infectious diseases, and Jeals at done his duty in a matter that nad considerable length with the smallpox outbreak at Rogersville. retary. He desired to bring the Some bills had been honored that question of hospitals to the conhad been incurred without the sideration of the Council, Frederknowledge of the Board, but none icton, Woodstock, St. Stephen and would be recognized in future un- Moncton have established hospitals less the Board authorized the ser-vices to be performed. There had which they are situated make been twelve cases of diphtheria, grants to them. The Government six of them fatal, and four cases of dies so also and makes a similar scarlet fever. Chicken pox had grant to the Hotel Dieu of Chat-been prevalent. The Board's ham, \$700, which is the limit of that it be referred to committee on Iurdock. ROGERSVIALE – P. J.
