We were much pleased last Evening in witnessing Mr. Anoun-war's Scientific Lecture or various subjects. The performances of the Fire King, eating red hot coals of fire, drinking liquid fire, &c, were well don. He gave some very curious and beautiful Chamical views and Optical Illusions and Electrical Experiments. The concluded his Entettainment with giving the Nitrous Oxyde or Laughing Gas to several persons present, which afforded much summement. After the company left the room, he let off, near the Market House, a large Balloon, which, continued in sight for about 20 minutes, wending its way up the Hillsborough. Mr. Abou, net Intereds exhibiting spain the Evening.
