**MEETING OF CAMPBELLTON TOWN COUNCIL**

Important Legislation to be Requested—Several Communications Read.

A meeting of the Town Council was held on Monday night. Hi Worship the Mayor presiding. Councillors present, Messrs. Alexander, McDonald, Miller, Mowat, Moores and McLellan.

Minutes of previous meeting read and approved; Councillor White entering the council chambers during the reading.

Communication received from the Board of Trade giving a condensed report of the public meeting held under their auspices, and enclosing copy of the amendment adopted at that meeting, viz—

"That Mr. Reid our member be asked to arrange a meeting between the I.C. Board of Management and the Town Council supplemented by a delegation from the Board of Trade to discuss and settle the question of the closing of Sugarloaf Street." Letter laid on the table.

Communication read from Jos. Boudreau re an application for Public Weigh Scales. Referred to Public Property and Streets Committee.

Communication read from Mrs. Mary W. Riddell re an application for rebate of Pool Room and Bowling Alley License Fees. Referred to Police and License Committee.

Communication read from W. H. Fraser re an application for refund of taxes on account of his removal from town. Referred to Assessment Committee.

Councillor Mowat read the report of The Electric Light recommending payment of accounts totalling \$5600.74. Report received and adopted.

His Worship then vacated the chair which was taken by Councillor Alexander.

His Worship presented the report of the Bye Laws and Legislation Committee which dealt with the following matters:

1. To exempt the town of Campbellton from the municipality of Restigouche taxes, only as the County or Parish taxes apply to Campbellton.
2. To amend the Liquor License Act to include Beer License.
3. To exempt improvements from taxation.
4. To authorize the Council to issue Debentures for Water, Light and Sewerage purposes.

His Worship explained at great length the different aspects of the proposed legislation which would be asked and dealt with the various acts under which this further legislation would be asked.

The report was received and adopted. Councillor White asked His Worship a question regarding the proposed legislation to be asked for notice of which was published in the press.

The Mayor said that power from the Legislature was being sought to repeal Sec. 5 of an act passed in 1906, respecting Campbellton Reservoir. Discussion on this developed the feeling that this request for legislation should be opposed, and the clerk was instructed to write Mr. Teed, K. C., asking him if it would be suitable for him to attend the session at which time it would come up in the house.

Regarding arrears of taxes in answer to Councillor Alexander, His Worship stated that in the Town Bye-laws the Council have power to publish the defaulters list in the public press. The communication from the Board of Trade was then dealt with and after discussion it was agreed to appoint a small committee to act with the Town Clerk to draft and send a letter to Mr. Jas. Reid, M. P., enclosing the amendment carried at the Public meeting, with

copies of all the official correspondence between the town and the Board of Management and also to write Mr. A. W. Campbell giving the full particulars of all that had been done, and correcting the Chairman of the Board of Management in his assumption that the town is at fault with regard to dead-lock. This was agreed to and the Council adjourned.

**HOPETOWN**

Little Mary Eliza infant daughter of Mr. and Mrs. J. Scott Ross was taken to the fold of Heavenly Shepherd on Jan. 15th, aged five months. The funeral was on Tuesday 17th.

Mr. John G. Almond is confined to the house as a result of having extracted a severe cold.

Mr. George Miller, has been advised by his doctor to undergo an operation in a Montreal hospital for some internal trouble. We hope that with a change of treatment the necessity of his going may be averted.

Mr. Peter McRae left here on Tuesday for the Eastern townships where he has moved to remove his family and settle.

Whooping cough and severe cold weather have combined efforts to keep many of our little folks close prisoners. May they soon beat a hasty retreat.

**CAMPBELL—FAWCETT**

At the home of Mrs. W. H. Miller on Tuesday evening a very pretty wedding was solemnized by the Rev. T. P. Drummond of St. Andrews church, when Miss Sadie Priscilla Fawcett was united in marriage to Mr. F. W. Campbell. Mrs. Miller's parlours were nicely decorated with carnations and ferns. The bride unattended, who was given away by her father, wore a white satin princess robe, and her mother was gowned in wisteria aconian. Mrs. W. H. Miller who received the guests was dressed in green silk.

The young couple who were the recipients of many beautiful gifts left on the maritime express on Wednesday morning for the honeymoon.

The bride's going away dress was a reseda green suit with black beaver hat.

Our sedentary was a protracted one and perhaps it was no unmitigated blessing, that, owing to the absence of the Chairman of Public Property and Streets Committee, we were unable to tackle their report.

The report of the bye laws and Legislation Committee was well handled by His Worship. For a concise statement he showed the injustice of having to pay all our own taxes for small-pox patients and pauper lunatics, and then also pay the county proportion, amounting as it did last year to 41 per cent. A change is needed here most certainly.

The exemption of improvements from taxation is a step in the right direction. This means as applied to property, a man would be taxed for his land and not on the building, if any there on. All land would be assessed at a certain figure and if one man had a \$5000 house on his lot, and the town next door had not, built both would have the same assessment.

There is a general feeling in the Council that in the matter of granting licenses for business premises, a more definite application should be insisted on. Any one might apply for a small grocery store license and after paying their \$10 would at the expiry of the license blossom out in a T. Eaton & Co., whereas had it been known at first the ultimate idea, we would have been charging a tax of \$1000.

We hope soon to have something going with regard to our Fire Protection. The "Graphic" has spoken on this before and we hope to make some real progress in this direction.

We said "How do you do" to our old friend Sugarloaf street, but as we felt at present we had done all we could, we drew a relieved breath when we said "Good bye." Sugarloaf Streets, like the poor, always with us.

**JAMES B. MITCHELL**

Dalhousie N. B., Feb. 21—James B. Mitchell died here suddenly today, aged 79. He was a native of Nicholas River, Kent county. He is survived by a wife, one son, Robert, of the C. N. R., Winnipeg; four daughters, Annie, Elsie and Jean, at home, and Mrs. A. L. Horton, of Veggieville, Alberta, also three brothers, Robert and Walter, of Rexton and Joseph, of Nicholas River; one sister, Mrs. John Hannah, of California; three brothers-in-law, D. McIntyre, superintendent of schools, Winnipeg; Rev. P. McIntyre, of Faison, North Carolina, and Judge McIntyre, Sussex. The late Mr. Mitchell was very highly respected in the community.

**DALHOUSIE**

A very pretty wedding took place in the town on Monday the 13th inst. when Miss Edna Arsenault was united in marriage to Mr. Charles Nelson of Truro N. S.

The Marriage ceremony was performed at the Convent of the Daughters of Jesus, the Rev. Father Bouchier officiating. The bride was becomingly attired in an Alice blue costume with white Thioet furs and hat to match.

The happy couple who were the recipients of many beautiful gifts will reside in Dalhousie where their many friends wish them every happiness in their new life.

Mrs. W. A. Gallop has opened a new garage at Dalhousie, opposite the Royal Bank of Canada. Mr. Gallop is an experienced Auto machinist, and as well as having a repair shop will stock all accessories and auto supplies.

**FIVE CHILDREN LEFT.**

**MOTHER DIED OF CONSUMPTION AND ONE LITTLE GIRL IS NOW AT GRAVENHURST.**

A short time ago a woman in the advanced stages of tuberculosis died in her own home. By her death five little ones were left without the care of their mother. There was money enough in the family to make some provision for the care of the children, but it was almost impossible to secure any one who would render this service, so afraid are many people of this dread disease. A visitor to the home says that time and time again she had found the baby sleeping in her sick mother's bed, and near by food was stored from which the children partook. A sequel is revealed in the fact that to-day one of these five children is a patient in Gravenhurst, and the baby is in the children's ward at the Toronto Free Hospital for Consumptives.

It is for the care of such sufferers as those that the Muskoka Free Hospital for Consumptives has been built. The tax on the accommodation is heavy, and the Trustees have only been able to make the large extensions of the present year by borrowing heavily from the bank. An appeal is now made for funds to help on this work and provide a place where children, such as are referred to here, may find a home with good possibilities of cure.

Contributions may be sent to W. J. Gage, Esq., Chairman Executive Committee, 84 Spadina Avenue, or Sec. Treas. National Sanitarium Association, 347 King St. W., Toronto.

The Muskoka Free Hospital accepts patients from any part of the Dominion, and not a single patient has ever been refused because of poverty.
