Extract from a letter of a Canadian soldier in France.
To Mrs. R. D. BAMBERG:
The Rectory, Yarmouth, N.S.
Dear Mother:—
I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me.
Have you any patriotic druggists that would give something for a gift overseas—if so do you know something that is good for everything? I'd—OH MINARD'S Liniment.
Your affectionate son,
Bob.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED
Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."
Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.
Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.
Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

How much is three per cent of one cent? A man at one of our Fort Fairfield stores the other day passed out five cents for a paper. He received two cents back in change, one of them being a Canadian cent. He rather indignantly refused to take it, stating as his reason that there is three per cent discount on Canadian money. How is that for getting the thing done?—Fort Fairfield Review.

You Need More Than A Laxative
To correct constipation, all organs of digestion and elimination should be helped. Try NR and see how much better you feel.

NR Today—Keeps the Doctor Away
To live and be healthy, your bowels must be kept in normal condition. Extract all the poisons from your system and promptly remove the waste that it has. This is accomplished by the process of natural elimination and constipation—the waste of the stomach, liver, kidneys and bowels. The failure of any of the vital organs to do its work properly and to force the action of all the organs, is the cause of a new laxative, called "NR Today." This is a powerful, yet gentle, laxative that cleanses the bowels, restores normal function to the digestive system, and improves the general health of the body. It is the only laxative that is pleasant in action, and does not irritate the bowels. It is the only laxative that is safe for all ages, and does not produce any harmful effects. It is the only laxative that is available in a convenient, portable form, and is the only laxative that is the best for your health.
