Much Suffering Due To Thin Blood

Rich, Red Blood Necessary to Health and Strength

If more people knew how many ills and pains are caused by thin, watery blood a great deal of suffering would be avoided. Men and women often suffer for long periods from stomach trouble, headache, palpitation of the heart, and nervous complaints such as neuralgia, without suspecting that anaemia or bloodlessness is the cause.

The blood goes to practically every part of the body, carrying oxygen and nourishment. The efficient action of every organ is directly dependent upon the quality of the nourishment it gets from the blood. If the blood is thin it becomes weak in nourishment and health fails. The best way to keep the blood rich and red and thus enjoy good health is through the use of Dr. Williams' Pink Pills. At the first sign of weakness these pills should be taken and good robust health will soon follow. The state ment of Mrs. J. J. Murray, Corbetton, Ont., shows the value of Dr. Williams' Pink Pills in cases of this kind. She says: "A few years ago my daughter, Lillie, was in a very bad

MR. ALFRED BATEMAN

A gloom was cast over the village on Tuesday morning, Feb. 3rd when Alfred Bateman, eldest son of Rebecca and the late William Bateman of Nelson, passed to the great beyond.

Mr. Bateman was well known throughout the country having conducted a grocery business for about 20 years and was always found very obliging and a general favorite all around.

He married Miss Jessie Ferguson of Redbank in 1892 who predeceased him nine years ago. Deceased was fifty-six years of age and leaves to mourn his sad loss an aged mother, one daughter, Mrs. Frank McLaughlan and one son George at home, also one sister Mrs. May Maurer of New York and two brothers Everett of Nelson and Henderson of Wisconsin. Besides several cousins and a large circle of friends.

Mr. Bateman took sick in October and was taken to the Miramichi Hospital for treatment. He came home Xmas, thinking it would probably be the last Xmas he would spend with his family. Since then he has been a great sufferer and prayed if it was God's will he might be taken "Home."

Everything that skillful and loving hands could do was done to help him but his Heavenly Father knew best. The funeral, which was held from his late home on Thursday afternoon at three o'clock was the largest ever seen in Nelson.

Services were conducted by Rev. Alex. Firth assisted by Rev. Mr. Bate at the house and grave. The hymns sung were: "Asleep in Jesus" "Safe in the Arms of Jesus" and "Jesus Saviour Pilot Me." The pall-bearers were—Messrs. Daniel Baldwin, John Betts, Wm. Baldwin, Andrew Flett, Wm. Appleby and Walter MacKenzie. Remains were buried under Masonic Order in St. James Presbyterian burying ground beside his late wife.

The great mass of flowers which covered the casket, spoke in a measure for the esteem in which Mr. Bateman was held.

Nazimova is Supreme On Screen and Stage

Nazimova, supreme star of stage, has achieved an added triumph in her latest screen production, "Out of the Fog" which will be shown at the Happy Hour theatre on Wednesday. This play is an adaptation for the screen from her great stage success "Ception Shoals," a play which created great comment both here and abroad and which was noted for the intensity of its dramatic situations.

Madame Nazimova is an actress of unique and original talent, she is known as the woman of a thousand moods and her act is as great in light fantastic or whimsical moments as it is in the heavy emotional drama for which she is internationally famed. She was born in the Russia Crimea, in a little town on the shores of the Black Sea, but was educated in Geneva, where she decided on the career of a violinist and studied accordingly. She made her first public appearance at the age of twelve at a concert in her native town but it was not long after his that she gave up music for the drama. She studied under the great Stanislawsky who considered her an artist of great ability even at an early age. As leading woman in a Russian stock company she played more than two hundred parts.

Since coming to America Nazimova has played in both Russian and English and is known for her great characterizations in the leading roles of "The Doll's House," "Hedda Gabler," and "Little Eyolf." Like other noted artists she has grown to prefer the screen to the stage and devotes most of her time to the splendid work for which her name has become famous here and abroad. Her work in "Revelation," "Toys of Fate," and "Eye for Eye," has set a higher plane for motion picture achievement than has hitherto been reached by any other screen star, and "Out of the Fog" shows that her art is infinite.

Albert Capellan, the distinguished Frenchman who directed this picture also made the screen adaptation from H. Austin Adams' "Ception Shoals," with the collaboration of June Mathis.

PRICE OF LIQUOR ADVANCES

Everything is going up and along with other lines it is said that now the price of whiskey is costing four dollars per bottle with a prescription. This is the price which it is claimed is asked for in Fredericton. The new schedule of prices has not been issued by Rev. W. D. Wilson, the chief inspector under the Prohibition Act, but it is said that the retail vendors in the capital have advanced the price because they claim the St. John wholesale vendors have made a general increase of ten dollars per case.

In but his medicine did not seem to bring back my strength, and remembering what Dr. Williams' Pink Pills had done for my daughter, I decided to drop the doctor's medicine and try them. The results that followed were like those in my daughter's case, and through the use of the pills I was soon a well woman. I am glad to give my experience in the hope that some other sufferer may find the way to health.

You can procure Dr. Williams' Pink Pills through any dealer in medicine, or they will be sent you by mail at \$0.50 a box or six boxes for \$2.50 by writing direct to The Dr. Williams Medicine Co., Brockville, Ont.
