Drudgery.

By the adoption of modern gas appliances you may abolish drudgery from your home.

GAS COOKERS eliminate the drudgery of lighting fires, the handling of coal and ashes, and enable you to prepare meals in half the time required with old-fashioned appliances.

GAS WATER HEATERS are indispensable in every well-regulated household.

GAS LIGHTING is best for the eyes and the pocket.

THE PERFECTION GAS IRON is a recent addition to labour, time, and money saving appliances. This Nickel-plated Gas Iron may be had complete with stand and a length of metallic tubing for the small sum of \$3.00, and should be in every household.

With the "PERFECTION GAS IRON" a whole day's ironing may be done at a cost of five cents, give better results, and do more work in half the usual time. It is always hot and ready, clean and smooth. Send post card, or phone 97, and the Gas Company will send a man to give practical demonstration of any, or all, up-to-date household appliances.

NOTE.—It is important that Gas Cookers and other appliances be kept perfectly clean and free from grease. Use "SO-KLEAN" enamel cleaner. It will quickly remove all stains and grease from metal or enamel. 25 cents per packet.—323.11

SIX PICTURE PROGRAMME AT THE CRESCENT TO-DAY.

The Crescent Picture Palace is putting on a six picture programme to-day, the productions of the very best photo play companies, consisting of detective and western dramas and comedy subjects. See the regular advertisement in another part of this paper for particulars. Mr. Harvey Collins, the Irish tenor, whose singing is giving so much pleasure to Crescent patrons, will sing: "My Wild Irish Rose." This is one of Mr. Collins' favourite numbers; go to the Crescent to-day and hear him.

BRITISH THEATRE.

The week-end entertainment which will be given at the British commencing this afternoon has been chosen in most capable and careful manner, each and every photo-play being of surpassing merit. The energetic Madame Olive Timmons will sing the beautiful ballad: "The Heart of a Rose" and the world-famous Scotch song: "Loch Lomond" in which she will be heard at her best. The popular Professor P. J. McCarthy will play her accompaniments thereby ensuring a musical treat such as has rarely been given anywhere. In addition to the foregoing five magnificent photo-plays will be shown. It is worthy of note that Madame Timmons appears promptly at 3.30, 8.20 and 10 o'clock.

GRAND SOCIAL DRAMA AT THE NICKEL TO-DAY.

Nothing but the best is the Nickel Theatre's motto, and to-day's programme will prove it once more. The bill to-day is most elaborate—one and will, we feel certain, afford the highest satisfaction and pleasure to all. The big feature is the beautiful social drama "On the Stroke of Five." It is a swell production of the Vitaphone artists and features the celebrated stars Naomi Childers and Darwin Karr. This is without doubt one of the best pictures ever shown in St. John's. Every lover of the drama should make an effort to see this film. "The Hazards of Helen" will be continued and there will be other high class subjects. The big matinee for the children takes place to-morrow.

Important Contest.

The Collegians and St. Bon's football teams will try conclusions this evening. The outcome of the contest will probably decide the championship holders for 1915. As already known the possessors of the silverware this season got to be either the Collegians or B. I. S., both of which are the closest runners up. If the Collegians lose this evening the B. I. S. will be champions, if the Collegians win they will be champions, but if a draw occurs the Collegians and B. I. S. will have to meet again to have the mastery decided. The players this evening will be:

ST. BONS.—Goal, Knight; backs, Crawford, Higgins; halves, Rawlins, Power, McGrath; forwards, Callahan, Punnah, Kelly, Callahan.

COLLEGIANS.—Goal, Wornell; backs, Heath, Halfyard; halves, Pike, Barnes, Pike; forwards, Coultas, Ellis, Kendrick, Joffe, Gear.

BISURATED MAGNESIA

A well-known medical writer says: "I always first prescribed Bisurated Magnesia in every case of hyperacidity (sour acid spoonful) that comes to me. A teaspoonful of a fourth of a glass of hot water usually gives INSTANT RELIEF." Sold by all druggists in either powder or tablet form at 75 cents per bottle.

YOUR BOYS AND GIRLS

Here are some very important hints for parents. Don't forget that children, like plants, suffer seriously from want of sunlight. Don't forget that children are more seriously affected by impure air than grown people. Don't forget that little children are easily depressed by gloomy surroundings, and this lowers their vitality. Don't forget that lowered vitality makes children more liable to catch any infectious diseases.

Don't think that any room in the house will do for the nursery. The sunniest, most airy and most cheerful room in the house should be given to the children if you want them to be healthy. Don't shake or scold a child who wakes up and cries out in the night. Often night terrors are a purely nervous affection, and any harshness only makes matters worse. Don't say "don't" to your little ones. Remember to tell the child what he is to do what he is not to do.
