Parcels for Nfld. Forces Overseas.

- Parcels must not exceed 11 lbs. in weight.
- Parcels addressed to members of the Newfoundland Forces Overseas should bear the name and address of a second addressee to whom the parcels may be delivered or forwarded if it should prove impossible to deliver the first. The original address should be written on the FRONT of the parcel where the postage stamps and Customs declaration are affixed, and the second or alternative address should be written on the BACK of the parcel.
- If a second address is not furnished at the time of posting, and delivery cannot be effected, the contents of the parcel, unless of exceptional value or of a personal nature, will be turned over to the Military Authorities for distribution.
- Parcels containing articles of a personal nature or of special value will be returned, if a request for their return in case of non-delivery is made by the sender, such request to be written on the cover of the parcel at the time of posting.
- This plan is being adopted at the suggestion of the British Post Office, which states that the present procedure of holding undeliverable parcels at the Dead Letter Office until instructions are received as to their disposal is resulting in the waste of a large quantity of perishable foodstuffs, which form the contents of 90 per cent. of parcels addressed to soldiers.

MINARD'S LINIMENT CURES DIPHTHERIA.

BE IN TIME FOR Christmas.

Don't Forget Your Boy Who is Fighting for You.

You are perplexing circumstances when you want to know what to send him. We will try and help you out. He needs something to break the strain always on his nerves. He wants to be taken away from his surroundings for a time, even if it is only his mind.

WE SUGGEST A BOOK.

You think, Oh what is a Book? When he is finished with it it will be no good to him. But you send him cigarettes and cigars which give only about five minutes enjoyment to him alone, while a book, long after he has read it, lingers in his memory. And even after he has finished it it can be passed from one to another in the trenches.

We have the largest collection of Books. We will save you all the trouble sending it. Write your letter at home or at our store.

We will supply writing materials and a place for you to write in quietness.

We will mail it for you. We will try and help you in your selection. Call at

FISHERMEN!

Fishermen of late have been complaining of sore and tired feet, besides suffering from Rheumatism, etc., brought on by wearing Rubber Boots. Scores of Fishermen have been telling us of how they suffered the past summer when fishing in the hot sun, their feet having burned and blistered in the Rubber Boots which they wore, and later when the burning ceased their feet were wet with cold perspiration.

Fishermen! Get a pair of SMALLWOOD'S GOOD LEATHER BOOTS. They will keep your feet warm and dry.

You may say, "Leather boots have gone up in price." Quite so, but Rubber Boots have gone up also. We will guarantee that a pair of our Boots will outwear any two pair of rubber boots on the market. Wellington Boots, Napoleon Boots, High and Low Boots, Men's, Boys' and Youths' Bellows Tongue Boots.
