## TUESDAY, November 26, 1918.

The Way to Success. With the opening of the herring sea son we take the opportunity of sug-

gesting to packers that the future of Newfoundland, so far as this fishing The s.s. Thetis, after a two days' run from Sydney arrived here this industry is concerned, is at stake. We morning with a cargo of coal for Job have now the absolute command of Bros the trade on this side of the Atlantic and the quality of the pack for the American market should be beyond reproach or criticism crew suffering from influenza. It is a rather funny idea that obtain-

cd in the past that anything was good enough for export, consequently Grenfell Hospital the fishermen were not inclined to

There was a big increase in the pay too much attention or waste too number of patients admitted to Gren-fell Hospital to-day.
