GRAY-DORT
YOU WILL LIVE IT

LOW Price has never been a consideration in designing and building the Gray-Dort. Our engineering department and our purchasing department have but one aim—to produce the finest light car.

That the price is reasonable is due to factory efficiency and large production.

Especially if you have owned or driven another light car, you will appreciate the refinements in the Gray-Dort—the smoothness, power and pick-up of its motor; the standard equipment; the comfort of riding and driving; the unblemished beauty of line and finish.

The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment, is \$135 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.
