

The Best Exhibition of FALL and WINTER GOODS for 1873. IS NOW SHOWN AT T. BABB'S.

A grand display of plain and fancy dress goods, lusters, merinos, clan tartans, &c. cheap. Piles of fancy, checked, scarlet and white flannels, the cheapest lot in the county. A splendid show of ladies and gents' furs, cloaks, shawls, mufflers, hosiery, gloves, silk scarfs, real laces and collars, cloakings, blankets, wincies, cottons, trimmings, &c., all offered at prices that cannot be beat.

DAYFIELD. It is reported in Dayfield and Zurich that thirteen bodies have been found on the beach near the Sauble. It is also said that a large quantity of flour, of a Chicago brand, and lumber have been washed ashore between Dayfield and Goderich, and that two boats have been picked up.

Post. The use of these scales has been mentioned on Tuesday. They checked down to Mr. John Grewar for the year. The tariff is as follows: For single weight, 10 lbs. cattle, five, 15 lbs. single, 10 lbs. double.

INTERESTING DISAPPEARANCE.—James G. Milne, who had been employed as sawyer on the saw mill at Ethel, for the last four or five years, went to the Lisseton fair on the 8th instant. On Thursday evening, the 9th, he parted from his sisters at Newry for Ethel, and was last seen about 7.30 p.m. passing Mr. Alex. Henry's place, and spoken to by a son of Mr. Henry within half a mile of Ethel. He has not since been seen or heard of.

SABBATH SCHOOL ANNIVERSARY.—A very happy affair came off at the Hutchinsonian appointment on Tuesday evening. The Sabbath School anniversary was held in School-house No. 6, Grey. A large number of children were present, and many older people were also present. Seventeen recitations and dialogues were rendered by the children. Mr. Scott recited "The Old Brandy Bottle," in capital style. The Brussels W. M. choir enlivened the proceedings with sacred music. Miss Charlotte Pearson presided at the organ in a very able manner. The proceeds last year amounted to \$38, all of which, with the exception of \$9, had all been spent in books. The amount collected on Tuesday was \$20.88. The total number of verses committed to memory during the year was 17,514; girls 11,531; boys 6,188. Several happy speeches were made. The choir was presented with the choice cake of the day. This was returned to the School, and sold for the sum of \$2.

It is an acknowledged fact that the subscriber takes the truest and best finished photograph in Mitchell.—W. H. Fowler. Dr. Wheeler's Compound Elixir of Phosphates and Calaisia. Sandy Creek, August 31, 1872. The compound elixir of phosphates and calaisia prepared by you I have for two years using largely in my practice, and I assure you that in my judgment there is no preparation of its kind that can compare with it where it is applicable. With feeble, anemic women, of whom we have so many, and in cases connected with prostrating diseases I should hardly know how to get along without it. In dyspepsia it acts as a charm—in fact in any of the long list of exhaustive diseases it is the remedy. I am, yours truly, J. Lyman Buckley, M.D.
