East Middlesex Public School
Pupils Promoted.Results of the Christmas Examinations
—High School Entrants.

A somewhat larger than the usual proportion of candidates succeeded at London East and Lucas examinations. The papers were on the average more difficult than those set at the former examinations, but several candidates were carried over by the minimum total required—367 marks—by the bonus out (a possible) 80 marks allowed on the new subject, Hygiene and Temperance, which has been regularly taught in a majority of the East Middlesex schools ever since it was made an option on the programme of studies six or seven years ago. In the list B stands for Biddulph, Del. for Delaware, D. N. for Dorchester, L. for London township, N. for West Nissouri and W. for Westminster.
