WHISKARD'S.

London's Cheapest Store.

We're Doing Our Best Every Day

To make this store so good that it will be indispensable to you. The standard we're working to is high enough to lift this business out of the common rut, and to make it as pleasant to us in the planning as it is to you in the enjoyment. We want this store to be the most helpful place you can visit—in the vast improvements recently completed throughout the store, by means of which the convenience and comfort of buying and selling have been greatly enhanced. All departments throughout our three stores are showing some splendid values just now.

In the Dress Goods Dept.

We show Fancy Dress Stuffs, worth 50c, for 29c. In Black Figured Dress Goods, worth 75c, for 47c. In Cashmeres and Henriettas, 25c to \$1. In Columbian Cloth, very wide, worth 25c, for 15c. In Black, Wide, Heavy Lustre, for 25c yard.

A Slight Cold

Leads to-sounds a deal like a patent medicine ad. But we only want to call your attention to our extensive assortment of LADIES' WINTER UNDERWEAR.

On European Happenings--The Delay of the Soudan Campaign Creates a Howl of Disgust,

France and England Perilously Near a Collision-Efforts to Belittle the Significance of Bye-Election Results in England-An Ill-Timed Menace -Agricultural Experiments - The G. O. M.-Emperor William Kills a Pig. .

the definite announcement that the Anglo-Egyptian campaign up the Nile offers of mediation, to which the emhas been the signal for a howl of disgust similar in tone to the outburst of the Morning Post, which paper, in a specially displayed editorial article on specially displayed editorial article on the cuthiest denounced the government. the subject, denounced the government of the cotton industry, with another cut in the wages of the tinplate workfor "its hesitancy and invertebrateness ers and other disturbing causes. The on all great occasions," adding that the on all great occasions," adding that the unfortunate losses in money and blood next session will be devoted to Irish are due to procrastination, and now, when the hour is ripe to vindicate Gor- erals may seek to improve, but against don and to smash the mahdi, nothing is to be done, but a baneful hesitation sets in, a moral influenza, which paralyzes our statesmen." Similar denunciations have been heard even from the most ardent supporters of the ministry. The latter's decision not to consider the Soudan campaign is attributed both to lack of money and to the impossibility of finding British troops for this school board elections are now pending,

lifa's back and are capable of reaching Khartoum alone, is frowned down, until it is beginning to be whispered that the British are agreed to let the Egyptians know how much they are capable of accomplishing alone. In any case, whatever the reason for stopping the campaign may be, it seems to be folly to wait until next year to accomplish what could now, seemingly, be so readily realized, while the dervishes and other tribes already rescued from the tyranny of the khalifa are ready to help. Indeed, the fact that i further complications are threatened; would seem to emphasize the advisability of hastening the recapture of the Soudan. There is no doubt that Brit-Sir William Vernon Harcourt is the ish supremacy in Central Africa is se- only match for him on the Liberal side, riously threatened by the French, whose horizontal line across the Soudan, and must advance them or even supply the

amount requisite to reach Khartoum. THE HINTERLAND SITUATION. cillating in regard to the Soudan cam-******************************* paign, it is showing no lack of energy in the dispute with the French regarding the Lagos hinterland. The foreign and colonial officers are most busily at work, and are closely following every detail of the movements made. A special map is sent to the secretary for the colonies, Mr. Chamberlain, every night, with the latest news and moves marked on it with little flags. The news from Saki and elsewhere shows that the British governors in West Africa are determined to stop with c was thought he was suffering from any further French aggression. Immediately after the occupation of Saki became known at the British foreign Yesterday morning he had an attack office, the Marquis of Salisbury sent a with France, and he also cabled Gov. Macculum to instruct the officers of valuable food plants. the British expedition sent to that place not to allow anything to prevent the reoccupation of any British terri-and other European forces. To this is probably attributed the hasty retirement of the French troops on the approach of the British forces. Earl of Selborne, that the carrying out

THE SEAL TREATY. The British officials regard the prompt agreement arrived at between the United States, Russia and Japan, providing for a temporary suspension of pelagic sealing, as a vindication of their refusal to enter into the conference and as a demonstration of their contention that an understanding existed between the three countries. It is not likely that Great Britain will consent to stop sealing Her Majesty's government confidently expects a settlement of the question by the United States purchasing the Canadian interests.

LONDON AND NEW YORK COM-

PARED. The local government journal makes an interesting comparison between Greater New York and the English metropolis. It asserts that Greater London is double the size of New York, has double the population, more only half as many firemen. London has four times as many scholars in her public schools, but only 25 per cent more teachers; she has more public libraries, but not so many in propor-tion to her population; she has half as many hospitals as New York and nine more cemeteries. In New York there is a church or chapel for every 3,000 persons, and in London one in 4,000. The London debt is 35 per cent lighter for each taxpayer. In New
