LONDON WON AGAIN. Joseph Keenan, Esq., the animated dumpling who adorns third base for London, performed the remarkable feat of losing and winning the game on Saturday. He lost it in the eighth inning without any assistance, and won it in the ninth by the aid of Martin. Joe is a regular rainbow on the field; he can play white and yellow in all sorts of streaks. Martin distinguished himself in the same way as Joe. It was his home run that gave St. Thomas the lead, and it was rooters cramps. For seven innings Kelb and Robb had the hitters bottled up, only two or three getting past first base to perish on second. It was

a capital pitchers' battle, and the fielding was fast and snappy. The cork was drawn in the eighth when, with two men out. Tibald popped a fly between third and short. Ward let Keenan go for it, but it was so easy that Joe dropped it, and then Martin, the next man up, banged out a home run right along the leit field chalk line. The audience was mad, and considered the game as lost, sure. Mohler opened up for London in the ninth, and let the ball hit him—on purpose, Robb said; but the umpire allowed the base. Then Smink singled and the sky brightened. Smink was ferced out at second on Laroque's grounder to Kuehne, but Mohler got third on it. Then Keenan came to bat and was invited to wipe out the etain of that error, which he pro-ceeded to do by swatting the ball under the left ear. It went towards Martin and Martin went towards it. just a little too far. It passed over his head, and before it came back home Keenan was on second, Mohler and Laroque had crossed the plate, tying the score, and the people were throwing enthusiasm around in chunks. Carey flied out to right and Lohman put the capsheaf on by a single to the same place, scoring Keenan. Lohman tried to reach sec-

ond, but was nailed. The Saints were quickly disposed of in the ninth, Pears and Reid, the last two batsmen, striking out. Score: LONDON.

Montreal tomorrow.

In the fourth Lohman did some clever work. Martin was on third and Kuehne on first. Kuehne started to steal second in order to fetch Martin home. Lohman made a pretense of throwing to second, but held the ball. Martin had started for the plate, and worked up such speed that he could not stop, and he ran right into Lohman and the ball. Lohman is the

brainiest catcher London has had since HAMILTON DEFEATED CHATHAM With only ten men on the team, and had to sign a local player at Hamilton on Saturday. An Ontario Mother saved her Baby 13 years ago.

KEEPS IT FOR HER BABY NOW

I wish to state that 13 years ago my little daughter Fanny was so very sick with summer complaint that I thought she was going to die. I hardly knew what to do for her when my sister-in-law Mrs. I. Kay, of Norland, told me to procure bottle of Dr. Fowler's Extract of Wild awberry, as her husband always kept it in the house to use himself.

I got a bottle and started giving the medicine to my little girl. I have read of things being "worth their weight in gold" but never did I know of any medicine to which that expression could be truly applied but Dr. Fowler's Extract. It certainly worked wonders and I often tell people I don't believe Fanny would be alive to-day except for Dr. Fowler's Wild

Strawberry and God's help.

I have a little baby, Hugh, five months old, and I always keep a bottle of the Strawberry in the house ready to give him if he should be taken ill with diarrhosa as I don't consider we would be safe without it.

MRS. JOHN WARD,

A Nova Scotla Mother Speaks.

During the past summer my little boy was dangerously 'll with diarrhea. He grew very weak so that he could hardly stand. I noticed Dr. Fowler's Extract of Wild Strawberry advertised so I concluded to try it. He mended immediately after taking it so that in a few days he was well as ever. I shall never be without it in my house as I consider it the most valuable

A Manitoba Mother's Opinion.

I think Dr. Fowler's Extract of Wild Strawberry is the best medicine that was ever made for diarrhoea, dysentery, and summer complaint. It is the best thing to give children when they are teething. I have always used it in our family and it has never failed.
MRS. CHAS. SMITH,

I have used Dr. Fowler's Extract of Wild Strawberry in our family for the past ten years with every satisfaction. In all cases of diarrhose dysentery, and summer co plaint of children or adults it never failed to give instant relief and we would not care to be without it in the house, especially during the fruit season.

MRS. H. RITTER,

For over 40 years now Dr. Fowler's Extract of Wild Strawberry has been recognized everywhere as the only safe and reliable remedy for the cure of Diarrhœa, Dysentery, Cholera, Cholera Morbus, Cramps, Colic and Summer Complaint of children or adults.

We would warn the public against accepting any substitute or imitation, many of these are positively dangerous. See that the full name "Dr. Fowler's Extract of Wild Strawberry" is on every package you buy. Sold everywhere at 35c a bottle.
