#### 99 PER CENT. IN MICHIGAN OPPOSED.

The testimony of the Hon. F. M. Warner, ex-governor of Michigan (page 276 Senate Committee Report):

"The farmers of Michigan are about the same as the farmers of all other states, they are not 50 per cent. against this measure, nor 75 cent, against this measure but I really think, 99 per

THE ANGLICAN GENERAL SYNOD London has been honored by the pres ence of a general synod of the Angli ran Church. A very distinguished body of clergy and laymen from all

parts of the wide Dominion has assembled, and is welcomed by the city, both officially and generally. Mayor Reattle extended to the delegates the freedom of London, he exwhich they represent.

The Church of England has long tire absence of offensive comment. been a leading force of spirituality in Canada. Recently, as Archbishop Matheson mentioned, its bicentenary the word "Annexation" appears. has been celebrated. It is growing now regards the appeal of Borden's folas of old. In British Columbia a new lowers as a weak one, as may be seen ecclesiastical province has just been from the following: found which will receive an archbishop as soon as five dioceses are The Anglican Church has done wonderful things in the mission ary field both at home and abroad There are thousands of miles between Cape Breton and Herschel Island, and yet the whole vast stretch, most of It even yet largely a waste, has been covered by the missionary enterprise and heroism of the Church of England Archbishop Matheson himself has

The American deputation which came from the Episcopal Church in the United States to salute the London gathering dwelt warmly upon the impulse given by Canadian Anglicanism to the present tide of missionary spirit that is rising in America every-

tilus to growth in the large immigration of English Church people from the mother country. Both in the cities and farms of Ontario and on frid, who is the only one of the bi the prairies and mountains of the speakers not "done up with west and north there is settling a throats." "But then," it remarks," Sir multitude which challenges the Wilfrid is 70 years young." strength and ingenuity of the Anglican as of other churches to take care

nd an effort after equalizing the burdens of life; at the same time it was better houses. However, the better does not print a single word concerntheir occupants better, too.

On Sunday the people of London most distinguished prelates and especially the Anglicans of the city will mark the day as one of the events

THE WAIL OF MR. WILCOX.

"What difference does it make." I believe that Laurier will carry the country and you will get reciprocity, and therefore a vote for me will not matter."—Oliver Wilcox, Conservative candidate in North Essex.

## AN OPENING FOR CANADIAN

One of the hundred different items of benefit which the pact will confer on the Canadian producer is the en couragement to cheese exportation.

The United States has ceased to a cheese-exporting country, while its imports show an immense increase, Canadian farm implement manu-as the following table clearly shows:

n 1901 ..... 3,950,999 1902 ..... 2,745,597 3. The agreement is in effect a 1903 ....... 2,250,229 2,551,336 1904 ..... 2,452,239 1,084,044 1906 ..... 1,940,620

by permitting skimmed cheese and voir, against any form of assistance to alsehood.)

6. The car shops will be largely filled cheese to be manufactured, and imperial denfece. losed down by reciprocity.

7. One hundred and twenty-five railthan the Canadian Cheddar cheese. 7. One hundred and twenty means at the canadian cheese, show from the speeches and actions way men left. Mr. King's meeting at This may suit the uninitiated taste, of Mr. Borden during the last month but there is a growing demand for a that his policy on imperial defence 8. London workingmen will lose their one under reciprocity.

befor quality, such as our best Candiffers one lota from that of the men whom he has just indorsed in Quebec. 9. McClary's will very likely close increasing importation.

With the tariff removed from Can-This ninth was last night's scare, adian cheese entering the United omething for good Londoners to go to States, it will gain an enormous adsleep on. For Free Press sensations vantage over the European cheeses have been staled by frequency into now competing with it. Given the big such common place that they rank American market, there will be a with the horrors of a second-class profit in a large expansion of trade nickelodion, as a relaxation rather in Canada in the manufacture of local contemporary can make a much higher rate per hundred pounds is no reason that our dairymen should not soon control that market for these cheeses. Our cheesemakers who go

will probably make from \$1 50 to \$1 80 per hundred pounds of milk instead of, as they do now, from 80 cents to \$1 per hundred pounds. At present our cheese exports have been standing still for the last five

years, but they should shortly double in value under reciprocity.

#### A RANK INJUSTICE.

F. E. Marchmant, master of the Rhode Island State Grange, says (page 69, Senate Commit-

"I just want to say to you that the farmers of Rhode Island believe that this agreement is a rank injustice to the farmers."

THE "ANNEXERS" ARE SILENT. Twenty-two American newspapers, all that came to the exchange desk of The Advertiser yesterday, were exampressed the sense of the whole comer only five gave Itual influence of such a body of men the Canadian election any attention and of the great and ancient church whatever. And in this scant treatment of the question there is an en-

The Brooklyn Citizen, for example presents the only argument in which

"It is becoming increasingly clear that the opponents of reciprocity in Canada have staked their all polit-ically on the annexation bogie. On the merits they acknowledge them-selves in effect beaten. What re-mains to be seen, therefore, is the merits they acknowledge them-selves in effect beaten. What re-mains to be seen, therefore, is whether common sense or guilibility is the more characteristic of the average Canadian voter. It may also be remarked that in point of readi-ness to set truth at complete de-niance the Tory leaders of the Do-minion have nothing to learn from politicians on our side of Niagara."
The Milwaukee Journal is watching

The Milwaukee Journal is watching eciprocity for its effects upon the American farmer. It announces that some of reciprocity's "deadly patory work" is getting in its effect in the fact hat Wisconsin farmers are getting 75 cents a bushel for potatoe American farmer's price is going up already, the Canadian farmer need no

worry.

The St. Louis Republic makes acetious comment on the story which it regards as fiction, that Ameican money is being used in the Canthe Bishop of Duluth urged the en- adian election. Two other journals de-

larging social activities of the church vote two or three listless lines to the campaign. The New York American, featured

first necessary, he said, to make bet- by the anti-reciprocity press, as the ter people before you put them into most ardent advocate of annexation, uses will help the church to make ing reciprocity or annexation in its regular edition of Wednesday, Sept. 6.

This general indifference does not will have an opportunity of hearing argue the wolf's hungry cravings for sermons by a considerable number of Red Riding Hood. Nor does the Amerdergy of the Anglican Church all over by nastiness and insult. They look Dominion. This is an opportun- upon the hard words as just so much that may not come again, and election talk. They have their own elections in good plenty, they know all the tricks of the game. It is an old story that hardly raises even a laugh

#### DELAWARE AGAINST IT.

S. H. Messick, Master of belaware State Grange, says bage 80 Senate Committee Report):
"Our people in Delaware, in common with the farmers of other rural states, are in hearty accord in opposition to the proposed treaty."

#### ANOTHER CHALLENGE.

"Mr. Borden and his party are uite willing to give three cheers or the British flag, but not three" nts to protect it on the ocean."-ondon Advertiser. "Could partisanship carry one fur-ther than this?"—London Free Press.

In his election manifesto and in his speech here at London, Mr. Borden said not a word for any sort of assistance to the mother country in the 2,120,293 matter of defence. His non-committal words were joyfully interpreted the 3,183,224 other way by his friend, Mr. Bourassa, 3,284,811 and gave offence to the imperialist 3,379,600 Montreal Star Toronto Telegram, and 4,303,830 Hamilton Herald. In Quebec a week

#### THE EMBATTLED FARMERS

Mr. F. E. Duffy, chairman of the Legislative committee of the State Grange of Connecticut, told a Senate committee (page 119 Senate Committee Report):

"I believe the farmers in this country are more thoroughly aroused on this question than anything that has happened since the time of the Civil War."

Beattie, Borden and Bourassa.

Mr. Borden lost his naval policy, but Mr. Bourassa has found one for him.

There would have been no British preference if Mr. Beattie's vote had

the five seats in Toronto. If they can do that they can sweep Ontario.

If they can cant facts which no observer should be sight of. It was intended earl in the year that there should be som
