All of these disagreeable and danscrous conditions are due to the improper digestion of food and the consequent assimilation of poison. What
else can be expected? If the food
lies in the stomach, if the system is
constipated, fermentation is the natural outcome. It shows itself in
sour watery risings, belchings, heartburn and painful breathing.

There is only one way to remove
this condition. If the stomach refuses to digest your food put something into it that will: "Stuart's Dyspepsia Tablets are nothing but digestives. They are not a medicine. They
work when the stomach will not.

Each tablet contains enough persin, diastase, golden seal and other digestive elements to reduce 3,000 grains
of ordinary food to the proper consistency for assimilation into the

Lexington, Ky., Oct. 12.—Peter Thompson became the winner of the triple erown this afternoon when he captured the champion stallion stake, the last of the great futurities of the season. This superb son of the Michigan-bred stallion Peter the Great made his debut at the top of a futurity summurpy-during the State Fair at Detroit. Last week he won the famed Kentucky after a gruelling contest, and then it was said that only because it was a three-in-five-heat event did he succeed. However, he won the stallion stakes, which is best two in three heats, but as handly after he got underway, although it was parade of the champions to the death of the condition froits, reained today after a vacation sing this locality, as many of the visitors and the short was of the highest class. Eight faces were on the card, but the condition of the track was such that the start could not be made until 12:45 o'clock, so the association was lucky to get six of them out of the way.

"SPOILING THE TAILORING BUSINESS"

We Are Prosperous Though Others Say "Hard Times"

MADE-TO-ORDER SUIT or OVERCOAT

THIS TAILORING BUSINESS OF OURS IS A VERY PLEASANT SORT OF A BUSINESS TO BE CONNECTED WITH. IT IS A HOLIDAY RAMBLE FOR THE SALESMEN. NO TWO PRICES. A WHOLE BIG STOCK OF WOOLENS JUST NEW FROM THE MILLS, AND MADE IN PATTERNS THAT WILL APPEAL TO THE MOST FASTIDIOUS DRESSER. THE CLERK JUST HAS TO SAY, "THERE IS THE STOCK, TAKE YOUR CHOICE. WE WILL MAKE THE GARMENTS IN THE BEST OF STYLE AND TO FIT YOU, OR WILL RETURN THE MONEY IF YOU ARE NOT SATISFIED." IT IS A GREAT BUSINESS.

And what is more. You may visit any other store and you will not find the patterns we are showing. We know because the goods we sell were made specially for this Canadian trade, and couldn't possibly get beyond us.

There has recently been published an interesting article which openly accuses us of "Spoiling the Tailoring-The Custom-Tailoring-Business." It says that we have cut prices so in the made-to-order line that there is nothing left. We are sorry if we have deprived anyone of a living—an honest living—but we are selling our goods at a fair profit, though it is a "rock bottom" price, and making an honest living.

WE GUARANTEE THE FIT AND FINISH OF OUR GARMENTS YOU BUY, OR WILL REFUND YOU THE MONEY IF YOU ARE NOT SATISFIED.
