Sergeant Barry smiled to himself, though not a muscle of his countenance though not a muscle of his countenance in the shabby, comfortable living from once more, the professor lowered the light and raised the window hades with a sigh of relief, then urned to his younger companion. "What do you make of it all. Ser."

Sergeant Barry smiled to himself, though his seeing them." "What did the medical examiner say?" the took this stand at its meeting a garry asked after a pause, in a cauthough the knew what that theory, engendered by an almost childish per sonal animosity, consisted of, and he was glad to humor the foibles of this old man, so great in his own line.

Sergeant Barry smiled to himself, without his seeing them." "What did the medical examiner say?" the week ago, a convention was called to secure opinions from all sections of the riding, this being considered to himself, though it is reported, the executive took this stand at its meeting a week ago, a convention was called to secure opinions from all sections of the riding, this being considered to himself, though it is reported, the executive took this stand at its meeting a week ago, a convention was called to secure opinions from all sections of the riding, this being considered to himself.

What did the medical examiner say?"

"Not much; you know he's always like a clam until he gets his report in at headquarters, and he has still the au-

resence in her studio at the moment as known to her. Remember she was anding or sitting directly before her asel and evidently painting or startng to paint when the end came. No atruder could have got so close to her, r practically between her and the ease order to fire directly into her heart without her knowledge. It is possible that she turned to speak to this person and thus unwittingly gave opportunity for an unimpred aim. I think it is fairly certain that she did not anticipate what was coming." Barry nodded.

That seems clear. But about those ootsteps that we both heard going own the stairs when we opened your loor here just after the shot startled

How long have the other tenants been

the house, Professor Semyono ??"
"The thin, little creature in the attic tudio was here when I came, two years go next October, and heaven knows ow long before that," he responded.
The young man, Mr. Ladd, moved in only three months ago, on the first of May, and my morose neighbor, just be-low, took possession a year before that after I myself had been here six or seven months. The fanitor, or superin-tendent, looks as though he might have een the furnace man for the original ouseholders and his name I believe to Kedge.

As he spoke there came a respectful

the mount of the procession of the second floor, and the second floor floor the second floor, and the second floor floor

shades with a sigh of relief, then turned to his younger companion.
"What do you make of it all, Sergeant? Who do you think killed the Vane woman, and why?"
Barry shrugged.
"The last part of yours question probably answer the first part as well. I haven't have time to draw any definite conclusions as yet, have you?"
Professor Semyonov sank once more into his own chair and motioned to the one opposite.
"Only some very obvious minor ones," he responded. "She was short won of the professor. "Mrs. Vane arrived into his own chair and motioned to the processor. "Mrs. Vane arrived into his pown chair and motioned to the one opposite."

"There can be no doubt of her breaked." The channel as clam until he gets his report in at headquarters, and he has still the autophy to make," the other responded. "It was fired from a small pistol that killed her, though, and it was fired from a small pistol that killed her, though, and it was fired from a considerable distance for there were no powder marks on the body nor any-where else that we could find. Come down to the studio where the murder was committed yourself and have another look around; the tenants can wait."

Barry agreed with a nod and together they descended past Griswold's about the rand what was some two months later that her younge began and spread like wildfire, so them and from behind which came a defiant series of snores. On the landing below another officer stool on get word, the remarks and he has still the autophy democratic course.

Neal Baking Co., Limited

London St. Thomas

1921 ---The Banner Year

Watch for the Annual Financial Statement of the "Old Huron & Erie," which will shortly be published.

Five Features of the Year's Solid Progress

- 1. The largest profits in the Corporation's history,
- 2. A substantial addition to the Reserve Fund.
- 3. An increase in the volume of Savings Deposits.
- 4. A striking gain in the total of debentures issued in
- 5. And best of all---no bad debts.

Huron & Erie Interest Rates

Savings Deposits withdrawable by check.

31/2% and 4%

Debentures issued for any term of twelve months to five

per annum. Four Branches in London.

51/2%

The Corporation does not own nor does it hold any buildings or land other than its own office premises.

FOR THE FOURTEENTH CON-SECUTIVE YEAR NOT A DOL-LAR'S WORTH OF PROPERTY (mortgaged to the Corporation and falling into its possession by reason of foreclosure or power of sale proceedings) REMAINS UNSOLD.

This is an investment record which vindicates the sound and conservative investment policy consistently followed by Huron & Erie Directors. A record which will gratify Huron & Erie Shareholders, Debentureholders and Depositors, and justly give them cause for pride.

For fifty=seven years — with increasing success — the Huron & Erie-has conducted a mortgage loaning business in Canada.

The Huron & Erie Mortgage Corporation

"Older than the Dominion of Canada."
