## MAY 20 IS LIKELY DATE FOR BIG SCHOOL MEET

Expect Still More Entries Thi & Year At Third Interscholastic Event-Executive M ay Meet This Week.

In all probability May 20 will be the date of the big interscholastic track meet this year. It is believed an executive meeting will be held this week.

This year's effort should eclipse the other meets, as interest in track events has been built up now for two years, and, in addition, the W. O. S. S. A. Practically all the schools which found it impossible to take up track athletics last year will send representatives for some of the events. These schools will be urged to send entries, even if it's only a lone one.

S. A. activities in other sports has inspired a rivalry amongst the secondary schools of Ontario which is beginning rapidly to bear fruit.

As soon as an executive meeting decides the date, entry blanks will be

Years Held at Tecumseh House Tuesday.

The executive of the W. O. B. A. held their annual meeting on Tuesday afternoon at the Tecumseh House. It was the most representative meeting held in years. Besides the representatives of the city clubs were J. J. Nolan of Toronto, A. Laing of Windsor, S. Law of Galt, S. Fairful of Leamington, J. H. Saddington of Chatham and Dr. Wiley of Brantford, the president of the association. The offer of Windsor to hold the annual tourney in that city was accepted, and the secretary was instructed to write the Windsor Club thanking them for their generous offer. The tourney, which begins on July 24, promises to be the best ever held in Western Ontario, and all bowlers should keep in mind the time and place and be present to enjoy a real holday.

Shamrocks Meeting With Fine Re-sponse in Effort After Dominion Title.

WILL TAKE CHAPERONE

Colleens Will Have Party of Seven or Eight, Including Coach Taylor.

Over half the \$1,000 necessary to send the Shamrocks to Winnipeg to meet the Edmonton team for the Dominion girls' basketball title has been raised, and Captain Carrie Blackvell declared last night that the dawn threatened to burst over the horizon any moment in a riot of color that would make an Atlantic City boardwalk look as sombre as a pageant of the landing of the Pilgrim Fathers.

The formal acceptance of the Edmonton challenge has not gone forward, and won't until the local team absolutely sees that the funds are forthcoming.

## MFRS. LEAGUE DECIDES ON SIX-TEAM CIRCUIT

Open Schedule May 15, With Greene-Swift Opposing Mun ray Shoe-Postpon e Action On O. B. A.

The Manufacturers decided last night on a six-team league, on the argument of the majority that better baseball would result and there would be more material around to be picked up. The number of outside players allowed each club was increased from three to four, in view of the new arrangement.

The opening date will be on May 15, with Greene-Swift opposing Murray Shoe, in the first engagement. The first three dates after the opener of the schedule, which is to be drafted shortly, are:

May 16—Scott-McHale vs. Grand Trunk.

May 17—McClarys vs. Civil Service.
May 19—Murray Shoe vs. Grand Trunk.

The near meeting before taking any action of any kind. Great interest was man fested in the project, and every clu favored London being represented organized baseball.

A feature this year is that the team are limited to signing only four out side players. Formerly they could sign any number up until the day before the three-man limit. This will make a more equitable division of the players it is thought, and is aimed against clubs which made a habit of making a big grab at everything in sight.

The near meeting will be May 2.
