BLEMISHES OF THE SKIN

Are Proof the Blood Is in a Weak and Watery Condition

One of the surest signs that the blood is out of order are the pimples and unsightly eruptions that break out on the face or body. The same out on the face or body. The same issued by the church union bureau of out on the face or body. The same condition is indicated by an attack of eczema or scrofula. You cannot get rid of these troubles by the use of burgative medicines, as so many people try to do. Purgatives merely gallop through the system and leave it still weaker. What is needed when the blood is shown to be out of order is a tonic which will restore its missing elements and leave the blood rich and red. For this purpose there is no other tonic can equal Dr. Williams' Pink Pills, every dose of which helps enrich the blood, drives out impurities, and brings a new feeling of health and energy. Mrs. R. E. Bishop. Hawthorne avenue. Hamilton, Ont. tells for the benefit of others, what these pills did for her. She says: tells for the benefit of others, what these pills did for her. She says: "I was suffering terribly from scrofula. I doctored with several doctors, but without success. My complexion was sallow. I had no strength, feeling very weak and languid. My neck was full of lumps called scrofula, and at times they were very restail. and at times they were very painful.

After trying several so-called blood medicines, Dr. Williams' Pink Pills were recommended to me. and I got half a dozen boxes. After taking them I found a decided improvement in my appearance, and to my joy the lumps were disappearing from my neck. I persevered in the treatment, and finally the only sign left of the trouble was a scar on my neck where one of the swellings broke. Since that time I have been in robust health and heartly recommend Dr. Wilthat time I have been in robust health and heartily recommend Dr. Williams' Pink Pills to any suffering from impure blood."
You can get these pills through any medicine dealer or by mall at 50 cents a box, from the Dr. Williams Medicine Co., Brockville, Ont.—Advt. \$250,000.
