

TRADE AT HOME AND BUILD UP YOUR TOWN

Do YOUR part in building a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in Campbellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapping the life and strength of your community. To patronize home industries is a duty every citizen owes to himself and those he loves.

WHICH ROAD?
This is the question every country community is facing today. In OUR community there are only two kinds of people. And they travel on just TWO roads. There are the "HOME TOWN" patriots and the "Out-of-town patrons." There is the "Trade at Home" road and the "Trade at Out-of-town" road. Which class are YOU in? What road are YOU taking? It should be EASY to decide. Every time we fail to patronize HOME INDUSTRIES we are boosting an outsider. Every time we take the mail route we are leaving our home town. Which ROAD? The only answer for US is the ROAD TO THE RIGHT.

THE HARD TO HARNESS HORSE
is often justified in his action. Most likely the harness chafes or galls him. That doesn't happen when our harness is used. It is as perfect fitting as you want your own clothes to fit you. Get a set of it and make your horse comfortable. It will not be long before he will be as easy to harness as you could ask.
