

The Campbellton Creed

I believe in Campbellton and its possibilities; and I shall do my part to make it a better place in which to live.

I believe in good government for Campbellton, and I shall assume my share of the civic responsibility that rests on the shoulders of all our citizens.

I believe in supporting local enterprises that make for community development, and shall contribute my moral support and energy to any worthy cause championed by them.

I believe in patronizing home merchants, for they are greatly responsible for our having good schools and churches, better roads and promotion of the general welfare of this community.

I believe in making Campbellton clean and attractive, for a healthy atmosphere is an inducement to honest and right-thinking citizens.

I believe in boosting my home town at every possible opportunity; that thinking, talking and acting progress is the quickest and surest way to bring permanent prosperity to Campbellton--the best town in Canada--because it is MY HOME!
