

An Interesting Letter

Jam-Buk has proved a great comfort to me, as it is now something like two months since it cured my little girl of eczema from which she suffered for a year.

THIS is but a fragment of a very interesting letter received by the Zam-Buk Co. from Mrs. E. Consett, of Joggia Bridge, Digby Co., N.S. The letter continues: "When the sores first broke out I called in a doctor; but his treatment did no good. I tried salves and lotions and washes of all kinds, but the sores still spread. The disease finally became so bad that the child's face and shoulder were completely covered with sores. Imagine the pain the poor child (not a year old) had to suffer!

"One day a friend advised me to try Zam-Buk. I did not have much faith at that time that Zam-Buk would be able to work a cure, but as there could be no harm in trying it, I obtained a supply. At that time the disease had defied all remedies I had tried for over a year. By the time I had tried one box of Zam-Buk there was a marked improvement. I continued the Zam-Buk treatment and day by day the sores showed signs of improvement, until the eczema was confined to the child's shoulder, one more on which had been particularly deep. By degrees this, also, was healed, and finally Zam-Buk banished every trace of the disease.

"I have waited several months before mentioning this to you, in order to see if there was any return of the eczema. There has not been any return; the cure being permanent, and there is no scar or trace of the disease from which the child suffered so long. You may publish this information if you wish, so that every mother may know the value of Zam-Buk."

Ontario's 1910 Lumber Cut.

Ontario still produces a little over one-third of the quantity of the lumber cut annually in Canada, but its annual cut, while increasing, is increasing more slowly each year. Ontario's 1909 cut was 17 per cent greater than in 1908; its 1910 cut was only 7.5 per cent more than in 1909. The Forestry Branch of the Department of the Interior has compiled statistics showing that 1,642,191,000 feet of lumber, worth \$30,011,000 was cut in Ontario during 1910, but that British Columbia will be Canada's premier lumber province in a short time. The diversified forests of Ontario have enabled this province to hold its supremacy up to the present, as illustrated in 1901, when the chief cut of seventeen species came from Ontario. White pine to the value of \$17,743,074 came from Ontario forests and formed 85 per cent of Canada's white pine cut. Nearly half of the hemlock cut in Canada in 1910 was cut in Ontario as was over 90 per cent of the red pine. Ontario contributed over 70 per cent of the hardwoods. Of the total made up by 23 species cut in Ontario, over one-half was white pine. Red pine contributed 10 per cent, hemlock 12 per cent, leaving 25 per cent to be equally divided among the hardwoods and less important conifers. To arrive at the correct amount cut by the lumber mills of Ontario in 1910, there must be added to the above lumber cut, 1,976,000,000 shingles worth \$3,559,211 and 851,953,000 lath worth \$1,943,544.

FOR SKIN DISEASES

A Treatment that Costs Nothing Unless It Provides Satisfactory Relief.

We have a grayish-white ointment with a pleasant odor that is clean to use, which we believe is the best known remedy for the relief of skin diseases. It is especially efficacious for overcoming eczema in all its various forms, ringworm, acne, pimples, blotches, insect bites, tetter, certain forms of ulcers, sores and wounds. It is strongly antiseptic, cleansing, soothing and healing. It stops all itching and burning caused by skin eruptions.

We are so positive this ointment is unequalled that we offer it with the distinct understanding that if after having given it a reasonable trial, you are not satisfied with the results, you have only got to tell us and we will, without quibbling, return every cent paid us for it. We exact no promises or obligations whatever.

We want you to try Rexall Eczema Ointment. The first application gives a refreshing sense of relief, and because of its germ destroying power, it eradicates the germ or parasite which causes eczema and many other eruptions. It quickly allays the inflammation, gives protection to the inflamed surfaces, and helps restore healthy tissue. It is particularly active in relieving skin ailments peculiar to children. You certainly cannot lose anything by trying it. We would not dare make this offer except we are positive Rexall Eczema Ointment will satisfactorily benefit you. Two sizes, 50c. and \$1.00. Remember, you can only obtain it at our store—The Rexall Store—J. W. McLAREN, WATFORD.

The Duke's Many Titles.

The titles of Canada's new Governor-General are numerous to a degree. The proclamation of the assembling of Parliament described him as the King's "Most Dear and Entirely Beloved Uncle and Most Faithful Councillor," and gave his various Orders as follows: "Field Marshal His Royal Highness Prince Arthur William Patrick Albert, Duke of Connaught and Strathearn, Earl of Sussex, in the Peerage of the United Kingdom; Prince of the United Kingdom of Great Britain and Ireland, Duke of Saxony, Prince of Saxe-Cobourg and Gotha; Knight of Our Most Noble Order of the Garter; Knight of Our Most Ancient and Most Noble Order of the Thistle; Knight of Our Most Illustrious Order of St. Patrick; First and Principal Knight Grand Cross and Grand Master of Our Most Honourable Order of the Bath; Knight Grand Commander of Our Most Exalted Order of the Star of India; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Commander of Our Most Eminent Order of the Indian Empire; Knight Grand Cross of Our Royal Victorian Order; Our Personal Aide-de-Camp; Governor General and Commander-in-Chief of the Dominion of Canada."

HOW TO LIVE LONG

With healthy kidneys, one has a good chance to live long, but weak kidneys afflict old age with great discomforts. The back becomes bent and lame, rheumatism is chronic, eyesight fails and too frequent or involuntary passages of the urine cause embarrassment by day and loss of sleep by night.

Booth's Kidney Pills bring new strength to old backs and quick relief to weakened kidneys. They banish backache and rheumatic pain, regulate the bladder and urinate.

Booth's Kidney Pills are for such kidneys in old or young, and are guaranteed by the proprietors, The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold everywhere soc. box. Free trial sent on request.

Slang and Manners.

It is a symptom of advancing years for those who have reached the middle period of life to begin making comparisons between old and new ways. They may not have entered "anecdote" in which the phrase, "Why when I was a boy," assumes a lively currency. But a habit of recalling things grows upon them. They divide their time between the present and the past. They hear the familiar talk of schoolboys and colleagues, and begin remembering the slang of their youth. How remote and distant sounds "hunky-dory" as a term of praise! How far away is the period when "Whoa, Emma!" was a by-word of wide application! How many years have passed since the height of excellence could be expressed by so tepid a word as "boss"!

These words may be better or worse than "ferce," "rotten," "corking," "peachy" and all the other verbal "gems" with which the youth of our own day adorns its speech. No tribunal is likely to decide the question for the words themselves, in their temporary application, will probably perish before it is worth while to take them too seriously.

Yet there is one point on which the person of middle age—or of the middle ages, if that implies a sufficient antiquity—may truly claim an advantage for the time in which he was young. The slang of that day

was employed with a truer sense of the fitness of time and place. It was not ordinarily indited upon grandmothers. The youth of the moment, seated at a table with the middle-aged, who may conceivably follow his lingo, and with the venerable, who cannot possibly do so, flings out the jargon of comic supplement and vaudeville—"out it out," "the limit," and "bonthead"—as confidently as if those terms were the common heritage of the English tongue. "Common" enough they are—in another sense. They may be indeed no more objectionable than the slang of earlier days, but their unrestricted use in circles that are merely bewildered by them raises a question not so much of diction as of manners—and to this question of manners the exuberant young may well devote a little more careful thought.

The Kind You Have Always Bought

Bears the Signature of *Dr. J. C. Watson*

A rather amusing answer was given by one of the prisoners at the Barrie jail during the church service at that institution on a recent Sunday afternoon. Rev. Andrew Smith, who was conducting service, asked the prisoners if there was any hymn for which they had preference. One young man promptly replied "We've reached the land of corn and wine," and the hymn was forthwith sung with a heartiness that was evidence that the prisoners appreciate the comfort of their surroundings. The jail menu costs but 8 1/2¢ per man per day, notwithstanding the ever-increasing cost of living.
