Praises this Asthma Remedy. A grateful user of Dr. J. D. Kellogg's Asthma Remedy finds it the only remedy that will give relief, though for thirteen years he had sought other help. Years of needless suffering may be prevented by using this wonderful remedy at the first warning of trouble. Its use is simple, its cost is slight, and it can be purchased almost anywhere.

## FACTS ABOUT TEA SERIES—No. 1

## The Two Types of Tea

There are two distinct types of tea, namely Black Tea and Green Tea. Both are made from the same bush and both are equally pure. The difference is in the process of manufacture which gives each a different flavour. Black Tea after it is plucked is withered and partially 'fired' or dried, then allowed to oxidize by being exposed to the air. This gives Black Tea its dark reddish colour when drawn. Green tea is immediately steamed after plucking, which prevents oxidation. There are delicious blends of "SALADA" in both of these types and also a unique blend of Black and Green Tea Mixed. All are sold in four qualities.

## -- and Mrs. Kelly can

"Say," said Mrs. Kelly, of Nilesville, the other day, "wouldn't it be fine if we could know all the magazines, so we could pick out the ones to help us most—with the cooking, the chickens, or when anybody gets sick? I'd like to have two or three more coming in the house every month, but don't know what to order."

Mrs. Kelly, can know—very easily. So can you, if you wish.

We have listed in catalogues in the Guide-Advocate office practically all the newspapers and magazines anyone in Canada wants. We'll be glad to tell about them. And further, we'll be glad to pass on your subscription, at no extra cost to you, for any of these journals.

## Enniskillen and Dawn Tps Will Vote in East Lambton

J. E. ARMSTRONG IS NAMED AS CANDIDATE FOR FEDERAL ELECTION EXPECTED SHORTLY

Petrolia Conservative Meet, with Representatives From Throughout the Riding

Petrolia, April 17.—Preliminary work toward the organization of the riding of East Lambton for the Liberal-Conservative party in the coming Federal election was undertaken at a well-attended and enthusiastic meeting held here this evening at which W. S. Haney, M.L.A., and Joseph Armstrong, ex-M.P., for the riding were the principal speakers. There was every indication that the nomination for the riding would again be tendered to Mr. Armstrong by the party.

E. Preston was returned as president of the association, and the other officers elected were: Honorary president, J. E. Armstrong, ex-M.P.; honorary vice-presidents, W. S. Haney, M.L.A., R. V. Lesueur, M.P., West Lambton; vice president, G. G. Moncrieff; second vice president, Mrs. J. A. Kerr; third vice president, Miss Elizabeth Thompson; secretary, Herbert Prior; assistants, James H. Gay and Wallace H. Reid; treasurer, J. J. Mathews; chairmen of divisions: No. 1, R. G. R. MacKenzie; No. 2, John Hext; No. 2A, S. Pollard; No. 3, J. Landon; No. 4A, Thomas Rose; No. 5, Herbert Prior; No. 6, William Fletcher; No. 7, George Finlayson; No. 8, Thomas McMahon. The list of division secretaries was not completed.

MR. HANEY: Mr. Haney congratulated the association on its past successes and outlined for the meeting the main issues at the provincial session just closed, which he termed a most disagreeable one in view of the disclosures of conditions under the Drury regime. He pointed out that East Lambton farmers in 1921 voted Progressive, but said that now they had realized the mistake.

The downfall of the Progressives was the means of the Conservatives being placed in power by an overwhelming majority, the speaker said.

Regarding J. E. Armstrong, the speaker referred to his energy for the riding as a member of the Federal House and declared that men of his type were needed to rescue Canada from the conditions into which it had been cast by the King Government. Mr. Armstrong, he said, was the man who was needed by the Conservative Association as their candidate.

The provincial member explained the O.T.A. amendments, which he declared were the only means of providing temperance and at the same time abolishing bootlegging and moon shine, and saving the youth of the province from strong liquor. No solution, he admitted, could effectively heal at once the trouble caused by the O.T.A. but the Government was certain that the amendments would achieve final success despite the views of W. E. Raney. He did not know when the 4.4 per cent. beer would be placed on sale, but he could say that it was not intoxicating and that it would prove a palatable beverage.

Referring to the redistribution, the speaker pointed out that the Townships of Enniskillen, including the towns of Petrolia and Oil Springs and Dawn Township, had been transferred to East Lambton. He expressed regret at losing Petrolia and Oil Springs from his riding, but stated that the change would provide more equitable population in the two ridings. Although he lost the two towns in question, he still had Point Edward, he said.

In closing, the speaker scored the King Government for its attitude of favoritism to the United States.

MR. ARMSTRONG.

Mr. Armstrong was warmly greeted by the audience when he arose to speak. He pointed out in his opening remarks that indications pointed to a federal contest shortly, and he pointed out that it behooved the association to prepare for the election.

The ex-member mentioned the harm which had been done to Petrolia's industry, the Oil Well Supply Company, which was suffering from being forced out of business by the most recent action of the Government on tariffs. The oil bounty removal, he stated, spoiled all hope of the oil producers in the district. Low foodstuffs tariffs had hampered the erection of the Peninsular Sugar Company's refinery and the operation of the local canning factory. The fruit industry in North Lambton and the tobacco in the Dresden district were barely functioning, while the importation of eggs into the county showed that egg grading was a menace to the farmers. Factories in the cities were inactive, he pointed out, due to the tinkering of the King administration with the tariff. He scored the Federal

member Bert Fansher, for his stand on the oil bounty question and then his request asking the Government to remove the duties on refined oil products. This was ruining the large refineries throughout the country.

John Reid, in a brief address, mentioned the boast of Canada of the 450,000 men sent overseas, but failed to take note of the conditions resulting which sent 600,000 Canadians to the United States. He declared that the way the present Government was carrying on Canada would soon be nothing but a geographical expression. G. G. Moncrieff and Mrs. J. E. Armstrong also addressed the association briefly.

One of the features of the meeting was the presence in the audience of a large number of women from various sections in the riding.

## TONIC TREATMENT FOR INDIGESTION

The Surest Way to Relieve Stomach Trouble is Through Dr. Williams' Pink Pills.

When the stomach is feeble and food lies in it undigested, the poisonous gases distend the walls of the stomach and cause serious interference with the other organs, especially with the action of the heart and lungs. These poisonous gases have other ill effects. They are absorbed by the blood and so weaken and corrupt it as to cause aches in remote parts of the body and the formation of unhealthy tissue everywhere. Experience shows that these troubles vanish just as soon as the stomach is made strong enough to digest the food. In other words, it needs a tonic that will enable it to do the work of changing the food into nourishment. The tonic used ought to be one that will agree with the most delicate stomach and this is exactly what Dr. Williams' Pink Pills do.

Here is a bit of convincing proof given by Mrs. Chas. Ladner, Ellerslie, P.E.I., who says: "For some years I was a sufferer from stomach trouble. Everything I ate caused distress, sour stomach, and belching. I could not eat meat or potatoes, and I grew weak and very nervous. No medicine seemed to help me until I was persuaded to take Dr. Williams' Pink Pills, and these simply worked wonders. I took the pills faithfully for a couple of months, by which time every symptom of the trouble had disappeared, and there has not since been the slightest symptom of stomach trouble. No wonder I praise Dr. Williams' Pink Pills."

You can get these Pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
