...the largest attendance in all its history.

The Brotherhood was the largest class in the school, with an attendance of fifty-nine men. The total enrollment of the Brotherhood is now over ninety. It is hoped to make it one hundred by next Sunday. The Philathea class for ladies, and Mr. Brown's class for adults are also growing rapidly. If the Baptist people of Bridgetown and vicinity continue to put forth their efforts to the same extent during the next few weeks as they have during the last few weeks of the Church School, the total attendance will reach the three hundred mark by Easter. The Religious Education committee of the church in co-operation with the officers and teachers of the Church School is seeking to work out the many details of an efficient school which the large attendance is bringing about. The first of many Workers' Conferences was held last Monday evening.

The World Wide Guild met at the home of Mrs. G. H. Dixon for its regular meeting last Monday evening. The program consisted of the election of officers and the commencing of a new study book.

The Junior C.G.I.T. girls held a banquet in the church Tuesday evening with the Trail Rangers as their guests.

This evening (Wednesday, Mar. 1st) the first of the "Seven Words From The Cross" (Luke 23:34) will be studied. After the meeting there will be a meeting of the personal workers band and a practice of the boys' choir.

Friday evening, March 3rd, the young people's service will be held at 7:30. At the close of the service Miss Chute, County nurse, will address the combined C.G.I.T. groups of the town.

Sunday, March 5th, Communion Sunday, the pastor will preach on the

### WHAT DOES YOUR MIRROR REVEAL?

#### Does It Tell You That Your Blood Is Thin and Watery

When a growing girl becomes pale, complains of exhaustion, dizzy spells, headache and stomach trouble, she should know that these things are evidences of anaemia or bloodlessness. A glance in the mirror will tell the story. There is immediate need for a tonic, a system builder that will completely restore the missing qualities to the blood that every part of the body will share in the benefit.

A good example of the result of wise treatment in cases of this kind is given by Mrs. George R. Smith, of Queensport, N.S., who says: "I cannot praise Dr. Williams' Pink Pills too highly for what they have done for my three daughters. My eldest daughter, Edna, at the age of fourteen, became run down, and I got her three boxes of the pills, and by the time she had taken them she was in good health, and is now a healthy married woman. My second daughter, Martha, at the age of sixteen, was awfully run down and pale. In fact she had always been a delicate child, but gradually became worse. At last she could not go upstairs without having to sit down and rest, and could not even do any kind of light work without being greatly fatigued. Finally I gave her Dr. Williams' Pink Pills, and after taking them we found they did her more good than all the other medicine she had taken, and she is now in good health. Than my youngest daughter, Greia, now fifteen, became so run down that she had to stop going to school. But after taking eight boxes of the pills she is now a healthy girl. I feel that after what Dr. Williams' Pink Pills have done in my home there can be no doubt of their value, and I hope someone else will benefit from our experience."

You can get these pills through any dealer in medicine, or by mail, post-paid, at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

WEDDING BELLS

PURNELL-CALDWELL

(Philadelphia, Friday, Feb. 11, 1922.)  
A pretty wedding was solemnized at the home of Mr. and Mrs. Richard L. Colvin, when Miss Beale Eileen Caldwell, formerly of Burlington, N.S., and Mr. Archie James Purnell, of Philadelphia, were united in marriage by the Rev. Bertram B. Shay. The bride looked charming gowned in white georgette, and carried a bridal bouquet of white roses. She was attended by Miss Clara Lynn, while Mr. Lewis Shall acted as best man.

After a reception attended by their many friends, they left for Washington, D.C., and the Middle States, where they will spend their honeymoon, and on their return will reside in Philadelphia at 5317 Rhineland St. West.

S. S. Bear River arrived at Bear River from St. John on Thursday, but was unable to get through the ice in the river until Friday evening. She sailed for St. John, via Digby, on Monday.
