ON 40 DAYS TRIAL THE GREAT AIRAL TRUSS

The Pad is different from all others. It closes Herma, as if your extended back was drawn together and one finger pointed in the centre. It is held in position a day and night with the slightest pressure, and loaded some as a broken leg. You will be allowed three exchanges during the 40 days. There is no duty to pay when received or returned, which many Canadians found more expensive than the truss. It is the easiest, most durable, and cheap truss. Sent by mail.
