

Dr. Publow Says:
De Laval Cream
Separators Are The Best

Picton, Ont., Nov. 18, 1910.

The DeLaval Separator Co.

Gentlemen:—

When one is connected with a State educational institution in dairy work, he is frequently asked by intending purchasers, "What is the best cream separator to buy?" They are usually given a number of names of the different makes, and told to give some of these a trial. Now that I have severed my connection with college work, I am at liberty to express my opinion at will, and while I know you are continually receiving excellent testimonials from users of your machines, still, I wish to express to you the satisfaction it has given me to use **DE LAVAL SEPARATORS** in over twelve years of successful work, in creameries, on farms and in dairy schools. My experience has taught me that you have the best cream separators on the market, and if I were to purchase a new one of any size to-day, it would be a **DE LAVAL**.

Yours very truly,

C. A. PUBLLOW, M.D.

The Dr. has simply added his testimony, born of the experience that qualifies, to that of the other Dairy Authorities the world over.
