THE TEN COMMANDMENTS.

We have at a great expense got up something which we feel that every Christian family should possess. No Sunday-school teacher or scholar but should have one. Agents will find this one of the most attractive and saleable articles ever placed upon the market. We will endeavour to give our readers a faint description of this wonderful work of art.

The Ten Commandments

The Ten Commandments

has been made the subject of a stone engraving, size 19 x 24, the elegance of which should be seen to be appreciated. Engraved in all the choicest styles of varied type, are the Ten Commandments, while in the certre is to be seen the figure of Moses descending from the Mount of fire and smoke, bearing in his hands the two tables of stone. Upon each side the picture is supported by a fail full and beautiful representation of the pillars of fire and cloud that went before the children of Israel by night and day. At the foot of this truly work of art are seen the Israelites when tormented by serpents, gazing upon the brazen serpent elevated by Moses. The whole combining to make one of the FIDEST, GRADURST AND MOST BRAUTIFUL picture series ever offered to the choicest gems ever manufactured, and we will gladly forfeit the amount paid to any one finding ir otherwise ti an as we have described it. In order to introduce them quickly, we have put them down much lower than any other picture of the same quality. Agents should not lose a single day, but order at once, and canvass their neighbourhood before others get ahead of them.
