HEALTH AND HOUSEHOLD HINTS.

-A large fire and quick boiling are great enemies of good soup.

-Bits of camphor laid about closets where mice are wont to frequent will draw their visits to a close.

The ease with which a commercial traveller asks 'Can you cash me a little check?' is only equalled by the ease with which the check was written with one of Esterbrook's pens.

-Teach your boys to hang up their best coats over a piece of barrel hoop, cut the right length to fit the shoulders with a loop of stout string, tied at the centre of the piece to hang it by.

IT HAS NO EQUAL.

Dear Sirs,-I have used your Hagyard's Yellow Oil for many years, and have found it unequalled for burns, scalds, cuts, etc.

MARY A. COLLETT, Erin, Ont.

Silver spoons and forks in daily use may be kept bright by leaving them in strong borax water several hours. The water should be boiling when they are put in.

-The whole secret of having boiled ham or corned beef juicy and full-flavored, is putting it into boiling water when put on to cook, and when it is done letting it remain in the liquid in the pot until cold.

BALMORAL BULLETIN.

Sirs,-I had a troublesome cold which nothing would relieve until I tried Hagyard's Pectoral Balm, and I am glad to say, that it completely cured me.

ROBT. MCQUARRIE, Balmoral, Man.

Fruit Salad Dressing: Four tablespoonfuls of sugar, one gill of sherry, one tablespoonful of maraschino, two tablespoonfuls of champagne; mix all the ingredients together and stir until the sugar is dissolved.

ENDORSED BY THE LEADERS.-When a remedy is endorsed by ministers, editors, merchants and leading men of all classes, it is strong evidence that that remedy has great merit and does what is claimed for it. Such a remedy is Burdock Blood Bitters, its wonderful success as a cure for dyspepsia, bad blood, etc., is well known to old and young.

Tripe and Oysters: Boil a piece of tripe until thoroughly tender. Cut into pieces quarter of an inch thick. Put your oysters in a pan with just enough of the juice to cook them. Add butter, pepper and salt, and a little onion. When the oysters are done add the tripe and a little good sweet cream. Serve very hot.

NOT A PARTICLE.

A feature worth noticing in regard to Burdock Blood Bitters is that it does not contain one particle of poisonous matter. It cures and cures quickly without the use of any poisonous ingredient. B. B. B. is a purely vegetable specific for dyspepsia, constipation, bad blood, headache, biliousness and all diseases of the stomach, liver, bowels and blood.

Frozen potatoes can be restored to palatableness by peeling them and letting them lie in a cool place with plenty of cold water poured over them. In 24 hours all the sugar which has been formed during the freezing process will have been removed, and the potato can now be boiled in fresh water and will be found to be perfectly palatable.

REDUCED TO SCIENCE.-The treatment of disease is now reduced to a science. A scientific product of medical skill for the cure of all blood diseases, from a common pimple to the worst scrofulous sore, which has held popular esteem for years and increases steadily in favor is Burdock Blood Bitters. Its cures prove its worth.

Apple Tapioca: Soak one cup of pearl tapioca in water over night, then cook in sufficient water until clear, pare, quarter and core enough tart apples to fill the bottom of a pudding dish, sprinkle with sugar and cinnamon, pour over it the tapioca, bake in a moderate oven about an hour. Serve with cream and sugar; whipped cream is best.

WHEN IN DESPAIR.-When in despair of being cured of lung troubles, there is still a hope, and a strong hope or perfect cure in Dr. Wood's Norway Pine Syrup. This medicine cures even after all others have failed, and no one suffering from coughs, colds, asthma, bronchitis, hoarseness, etc., need despair of cure while Norway Pine Syrup is obtainable.

New Year's Cookies: One pound of butter, one and a half pounds of sugar, three pounds of flour, one teaspoonful of soda dissolved in one pint of sweet milk, two tablespoonfuls of caraway seed, a little salt. Rub the sugar and butter together, add the caraway seeds gradually, then add the flour and salt, and stir in the milk. The ingredients require to be very well mixed and beaten with the rolling pin for some time. Place the dough on a plate on the ice or very cold place until the next day. Then roll out very thin, cut out, and bake quickly. These, if kept in a close tin box, can be kept fresh and crisp some time. If they soften, put them in a hot oven for a few moments, and they will freshen and become crisp and cold.

Your Patronage Respectfully Solicited.
