TROUBLE AT MELITA.

Mrs. W. H. Brown, of Melita, Man., states that two of her children and two others belonging to a neighbour, were cured of the worst form of summer complaint by one bottle of Dr. Fowler's Extract of Wild Strawberry, nature's specific for all summer complaints.

The true epic of our times is not "Arms and the Man," but "Tools and the Man."—an infinitely wider kind of epic.—Carlyle.

CONSIDERED THE BEST.

Dear Sirs,—I also can bear testimony to the value of your wonderful remedy for the stomach, liver, bowels and blood, B. B. B. I have used it as well as Burdock Pills for over three years, when necessary, and find them the best remedies I have ever used for constipation.

In view of Chandler's discovery, a year or two ago, of an invisible third orb about which the star Algol, and its dark companion revolve. It is interesting to know that William Ferrel, the eminent meteorologist, suggested in 1855 the existence of such a body.

BILIOUSNESS CURED.

Gentlemen,—I have used Burdock Blood Bitters for Biliousness and find it the best remedy for this complaint. I used several other remedies, but they all failed to do me any good. However, it required only two bottles of B. B. B. to cure me completely, and I can recommend it to all.

Yours truly,

Wm. Robinson, Wallaceburg.

C. H. Aely, ticket agent for the New York Central at Croton-on-the-Hudson, has patented a new railway signal, consisting of a device for placing a torpedo on the track at previously selected places, by such simple movements as are now employed to set semaphores or block signals. It may be used alone or in combination with visual signals; but it has special value when the latter cannot be seen by reason of fog, snow or smoke.

SEVERE ABSCESS CURED.

Dear Sirs,—I had an abscess just behind my right ear, in August, 1891. After suffering for three months, I began to take B. B. B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.

## A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong."—T. D. M., Norcatur, Kans.
