"This dainty little volume of verse will be welcomed as a genuine Canadian production, and will find many friendly critics. The note of nationality and lyric grace is set in the first page, and 'This Canada of Ours' is a song that has in it the true vocal lilt of patriotism."
—Mail.

"It shows scholarly refinement and some literary power, with a good deal of the patriotic spirit which this country so sadly needs. . . True lovers of verse read for enjoyment and inspiration, and in this little book both will be found."
—Globe.
