MALTO PEPTONIZED PORTER,

FOR INVALIDS, CONSUMPTIVES, AND DYSPEPTICS.

THIS combination, containing the finest quality of *PORTER* imported from the Messrs. A. Guinness, Son & Co., Limited, of Dublin, together with *PEPSIN* (the digestive power of 10,000 grains of albumen to the bottle), *EXTRACT OF MALT* and *DANDELION*, appeals to the understanding of the Profession as being well adapted to a numerous class of cases.

In 1400 bottles given to medical men, as samples, positive *GOOD RESULTS* can be given from over 200 answers received from those by whom *Malto Peptonized Porter* has been thoroughly tested and used. There has *NOT BEEN ONE SINGLE FAILURE* reported, but all pronounce that it is the most perfect *concentrated liquid food, tonic, and antidyspeptic* preparation ever put before them.

In no single instance has it been rejected by the most delicate stomach.

Where the stomach has been so irritable that no food could be retained, *Malto Peptonized Porter* has acted like a charm, and there has been *no difficulty* thereafter in the stomach retaining food.

In the many cases in which *Malto Peptonized Porter* may be indicated are the following

- (a) Convalescence from acute diseases—such as typhoid fever.
- (b) *Átonic Dyspepsia*.
- (c) In persons of consumptive tendencies. Here it has been found to be a most perfect substitute for Cod Liver Oil—the malt giving the fats producing elements necessary to the supply of the wasted tissues, with the other ingredients furnishing the tonic and stimulating effect-required.
- (d) In the treatment of cases of Alcoholism. In all cases in which it has been used it has answered admirably in allaying the irritation, vomiting, and consequent desire of stimulants of an unhealthy nature.
- (e) In wasting diseases of children.
- (f) For administration to nursing mothers.
- (g) Where there is sleeplessness from flatulence, over-taxed brain and nervous system.
